14.4 Review and Potential Approval of Ratification of Lakeshore Orders for TK for the 2023-2024 year.

MDUSD received a grant of \$1,106,277.00 in the 2022-23 school year. With the TK UPT Grant, purchases have been made through Lakeshore (along with other vendors) to update the TK classrooms. So far, our Department has spent \$210,386.80 this year with Lakeshore. Items include outdoor play materials, tables, chairs, shelving, kitchen dramatic play items, sensory items, fine motor items, science/nature items, social emotional items, culturally diverse book selections. All items meet the Early Childhood Environment 3 Rating scale. Our next big ticket order is trikes for all 36 classrooms. This PR alone will add \$55,000 to our total orders, in addition to additional tables and chairs and outdoor play items. These funds have allowed us to create equitable classrooms across our district.

14.9 Review and Potential Approval of Amendment Increase to 2023-2025 Independent Services Contract with the Mt. Diablo Unified School District and TNTP

On June 28, 2023, the Mt. Diablo Unified School Board approved an Independent Services Contract with MDUSD and TNTP for services through 2024-25. TNTP will continue to partner with MDUSD with a multiyear contract to build knowledge and capacity around high quality instructional planning through monthly learning sessions with the goal of accelerated learning for all students. In February 2024, seven MDUSD schools were identified for Comprehensive Support and Improvement (CSI): Cambridge Elementary, Fair Oaks Elementary, Rio Vista Elementary, Riverview Middle, Mt. Diablo High, Olympic High, and Ygnacio Valley High. As part of the district support to CSI schools, staff is proposing an amendment to the current ISC with TNTP to provide additional services specifically to CSI sites, including principal coaching, data-driven cycles of improvement, and high quality instructional planning for CSI high school math teachers. The cost of the amended services to CSI schools are subsidized due to increased efficiencies with travel and staffing on our current contract with TNTP through SY24-25.

FNS is seeking to slightly modify the job description and job title for the current Lead Food Service Worker III at the Central Kitchen to better reflect the work and to shift the position from 10 to 12 months. This would change the position from 193 days to 260 days. The Lead at the Central Kitchen's work differs from the work of other Lead IIIs across the District in both scope and scale. Because of summer school, vending, and other programs, we need to create a 12 month position at the Central Kitchen to ensure program continuation and consistency. The current position is 10-month and requires annual bidding for summer placement, which is stressful for the employee and the Food Services department. Teamsters is in agreement with this change.

Recommendation: Move to approve the job title and work year change for one Lead Food Service Worker (LFSW) III to Central Kitchen LFSW III.
