18.6 Review and Potential Approval of the School Plans for Student Achievement (SPSA)

The School Plan for Student Achievement (SPSA) identifies and addresses the instructional needs of students and specifies how state and federal categorical funds will be used to accomplish the goals outlined in the plan. In addition, the SPSA template includes additional components for our Title 1 Schools with schoolwide programs, as well as our schools in comprehensive support and improvement and targeted support and improvement. School sites include their allocated Local Control Funding Formula (LCFF) Targeted Supplemental and, optionally, their allocated LCFF Base Funds in their SPSA's. State regulations require that the School Site Council (SSC) be the group responsible for developing and revising the SPSA in collaboration with the site instructional leadership team. Attached are examples of the revised site plans. Copies of all revised School Plans can be found here: https://drive.google.com/drive/folders/1pE-Es_xiVxHcXHpPF2u8FNLiiThZ5Vj7?usp=share_link
