## **B) Maintenance and Operations**

### **13.12 Review and Potential Approval of Conversion/Upgrade of Soap and Hand Sanitizer Dispensers Throughout the District**

Quote from Kelly Spicer

Due to the discontinuation of the District's current soap and hand sanitizer, and their unique dispensers, Staff has been looking for new product/dispenser to replace our current/obsolete product. Maintenance and Operations installed some pilot

dispensers for Purell soap and hand sanitizer last spring. They have been monitoring their usage and durability and have determined they will meet District standards. Staff proposes the conversion of about 29,000 dispensers throughout the district starting with high school and working down to elementary and departments. This conversion will be over about a two year period as we convert from our current soap/hand sanitizer to the new Purell product. As we convert sites, we will take the unused product to our elementary schools and departments for use until gone. This is the reason for the two year turnaround. Staff bring forward vendor Kelly Spicer under OMNIA Contract #202329-1, where they will honor and lock the current prices on the the soap/hand sanitizer for two years, and provide free dispensers, along with the conversation/ installation of such dispensers at no charge.
