10.8 Review and Potential Approval of Resolution No. 24/25 (67) Authorizing the issuance and sale of refunding general obligation bonds in the principal amount of not to exceed \$90,000,000 for the purpose of refunding outstanding 2010 Series A bonds; authorizing the execution and delivery of an official statement, bond purchase agreement, and escrow agreement; and approving documents and official actions relating thereto

Board Presentation: Bond Refunding & New Bond Issuance Preliminary Official Statement
Bond Purchase Agreement Resolution 24/25-67

The District has the opportunity to refinance its outstanding General Obligation Bonds, 2010 Election, 2010 Series A which were issued in September 2010, by capturing lower interest

rates that are available in the bond markets. The Resolution listed above authorizes the issuance of up to \$90 million in refunding bonds pursuant to the Government Code, provided that savings can be achieved and that the final term of the prior bonds is not extended past the original term. The Bonds will be issued as tax-exempt bonds, in the form of current interest bonds only. Capital appreciation bonds are not authorized. Savings will be passed on to District property tax payers. The Resolution authorizes the sale of the bonds by negotiation to the underwriting firm of Stifel, Nicolaus & Company, Incorporated, which will buy all of the bonds from the District and thereafter have the responsibility of placing the bonds with separate investors. The terms of the sale will be documented in the Bond Purchase Agreement, which is approved as to form in the Resolution. The resolution authorizes District officials to finalize other items relating to the issuance of the Bonds. This includes the Preliminary Official Statement (the "POS"), which is the document that will be used to provide disclosure to potential investors regarding the repayment terms and security features of the bonds (ad valorem property tax collections) and other matters meeting industry standards regarding investor disclosures. The District's obligation under federal securities laws is to ensure that the POS contains all material information for making an investment and does not contain any material misstatements or omissions. District staff is authorized in the Resolution to work with the financing team following approval to ensure the POS is complete and accurate before it is circulated to bond investors. It is currently expected that the Bonds will be issued and funds available to the District in late May 2025, subject to bond market conditions.

Recommendation: Motion to Approve Resolution authorizing issuance of 2025 Refunding General Obligation Bonds in the Principal Amount of Not To Exceed \$90,000,000.

10.9 Review and Potential Approval of Resolution No. 24/25 (68) Authorizing the issuance and sale of general obligation bonds, 2018 Election, Series C, in the principal amount of not to exceed \$55,000,000; authorizing the execution and delivery of an official statement and bond purchase agreement; and approving related documents and official actions relating thereto

Board Presentation: Bond Refunding & New Bond Issuance Preliminary Official Statement Bond Purchase Agreement Resolution 24/25-68

District voters approved Measure J at the November 6, 2018 Election, authorizing the District to issue up to \$150 million in General Obligation Bonds to finance school facility improvements, which Bonds are repaid by property tax levies and collections on taxable properties. The Resolution proposes authorizing the third and final series of Measure J bonds in the total principal amount of \$55 million. The Bonds are proposed to be issued as traditional, tax-exempt current interest Bonds pursuant to the terms of the California Government Code. Capital appreciation bonds are not authorized. The Resolution authorizes the sale of the bonds by negotiation to the underwriting firm of Stifel, Nicolaus & Company, Incorporated, which will buy all of the bonds from the District and thereafter have the responsibility of placing the bonds with separate investors. The terms of the sale will be documented in the Bond Purchase Agreement, which is approved as to form in the Resolution. The resolution authorizes District officials to finalize other items relating to the issuance of the Bonds. This includes the Preliminary Official Statement (the "POS"), which is the document that will be used to provide disclosure to potential investors regarding the

14.4 Review and Potential Approval of the Williams Quarterly Report for May 1, 2025.

3rd Quarter Williams Uniform Complaint Reports

The Williams legislation is a package of state laws resulting from the settlement of a class action lawsuit filed in San Francisco County Superior Court in 2000, Eliezer Williams et al vs.

State of California. The basis of the lawsuit was that agencies failed to provide public school students with equal access to instructional materials, safe and decent school facilities, and qualified teachers. The Contra Costa County Office of Education has requested quarterly reports on specific complaints designated in the Williams lawsuit settlement. Quarterly Reports reflect complaints regarding textbooks and instructional materials, teacher vacancies or misassignments, and facilities conditions. The May 1st, 2025, Quarter Report includes the months of January through March 2025.

Recommendation: Move to approve the Williams Quarterly Report for May 1, 2025.

14.5 Review and Potential Approval to Purchase the National Inventors Hall of Fame Kits.

Expanded Learning Staff will facilitate the hands-on, engaging, and problem based learning modules, Pod Pals and Zoom (TK-1), Solar Bot and Flight Lab (2-3), Duck Chuck and Optibot (4-5) and E-Birds and Circuit Sculptures (6-8) daily during summer program at the 21 (CARES 18 elementary and 3 middle school sites). All modules align to the NGSS and empower students to collaborate, create, gain confidence, and practice divergent thinking with the acclaimed summer enrichment program that has reached children nationwide for over 30 years. Based on credible research and directly informed by world-changing inventors, Inventors Hall of Fame kits provide a new, tested program each year. Their engaging, hands-on modules are designed to meet the needs of TK-8 students, helping develop the Innovation Mindset — a growth mindset that instills essential skills for any area of life. The total purchase for all modules for over 2,000 students across 21 sites is \$207,128.43 (\$175,560.00 for modules, \$13,167.00 for shipping/handling, plus \$18,401.43 tax not included in the quote).

A) Food and Nutrition Services

14.9 Review and Potential Approval of an Increase in the Purchase Order for Tyson Prepared Foods Inc. for the 2024-25 School Year

Change Order

Food and Nutrition Services is seeking approval to increase the Purchase Order for Tyson Prepared Foods Inc. by \$50,000 to a total of \$375,000 for the remainder of the 2024-25 school year. This contract was competitively bid under RFP #1936; the original contract award was approved by the Board on December 13, 2023. We are requesting an increase to the Purchase Order because of increased meal participation. We expect the overall fiscal impact to be minimal as we are on track to keep our food and food supply costs under 30% of revenue for the year.

Recommendation: Move to approve an increase in the Purchase Order for Tyson Prepared Foods Inc. in the amount of \$50,000 for the 2024-25 School Year.

14.11 Review and Potential Approval of the Purchase of Bid, Insurance, Contract, and Document Management System for the Purchasing Department

PlanetBids Quote

The Purchasing Department currently relies on manual processes for bidding, contract management, and insurance verification, which are time-consuming, inefficient, and create risks of non-compliance. To streamline procurement operations, staff proposes implementing PlanetBids, a comprehensive online system that automates bid preparation, submission, and evaluation while maintaining a centralized repository for contracts and insurance documentation. This will enhance transparency, improve oversight, and ensure compliance with public procurement laws. Additionally, digital bid submissions and contract management will reduce administrative costs and increase vendor accessibility, fostering greater competition and potentially leading to cost savings for the district. Implementing PlanetBids will provide significant operational benefits, including increased efficiency, improved compliance, and enhanced risk management. Automated insurance tracking will help verify vendor qualifications, reducing liability risks, while electronic workflows will enable staff to focus on strategic procurement initiatives. Approval of this system will modernize procurement processes, improve efficiency, and ensure the district meets its regulatory obligations while optimizing financial and operational resources.

Recommendation: Move to approve the purchase of PlanetBids bid, insurance, contract, and document management system for the Purchasing Department

16.1 (Original item 14.8 Pulled during agenda approval) Review and Potential Approval of Independent Contractor Agreement for a Title IX Consultant

On or about December 18, 2024, the Board of Education approved a Settlement Agreement in J.D. et al. v. Mt. Diablo Unified School District U.S. Dist. Ct., N.D. Cal., Case No. 3:24-cv-00908. The Settlement Agreement required the hiring of an independent third-party Title IX Consultant to oversee the implementation of the settlement terms. The Settlement Agreement required that the Title IX Consultant have the following level of experience: (i) at least five years of experience prosecuting Title IX athletics complaints for OCR, or (ii) serving for at least five years as a Title IX athletics coordinator for a public school district, or (iii) serving for at least five years in a similar capacity as a Title IX athletics consultant for one or more high schools as part of OCR and/or civil action settlement agreements. The Settlement Agreement required the parties to exchange names of proposed Title IX experts. The Parties mutually agreed upon Keasara Williams. This Agreement provides that: 1) The District will provide Quarterly Reports to the Title IX Consultant concerning its efforts and progress, from which the Title IX Consultant will opine whether the efforts comply with the Settlement Agreement and provide support and direction on any necessary changes; 2) The Title IX Consultant will conduct an annual in-person inspection of the facilities to determine compliance with the Settlement Agreement and provide support and direction on any necessary changes; and 3) The Title IX Consultant will also consider and opine upon complaints lodged by the Plaintiffs should they believe the District is in breach of the Settlement Agreement. The proposed outcome is that at the conclusion of this Agreement, the District's Athletic Program at College Park High School will be fully in compliance with Title IX Athletic Requirements. The District will have a model of compliance to be implemented District-wide.

Recommendation: That the Board of Education approve the Independent Contractor Agreement between the District and Keasara Williams, Title IX Consultant

17.2 Review and Potential Approval of Standards-aligned Mathematics Materials for Elementary and Middle School Mathematics Instruction

The Elementary and Middle School Mathematics Adoption Committees began meeting in Fall 2024 and included teacher representatives, including dual language teachers, from all feeder patterns across the District, as well as administrators and TOSAs. Materials were available for review by the community in October-November and February-March, at the Willow Creek Center, and feedback surveys were collected. The committees utilized a review tool focused on the CA Mathematics Framework that was created using resources from the California Department of Education, Contra Costa County Office of Education, and TNTP to review materials for piloting. After reviewing materials and presentations from a variety of vendors, the Elementary School Adoption Committee chose to pilot materials from McGraw-Hill and Savvas, and the Middle School Adoption Committee chose to pilot materials from McGraw-Hill and Imagine Learning IM. Each pilot lasted five weeks with training provided by the publishers prior to each pilot. At the end of the pilots, the teachers met to review the data collected, community and student survey results, and compared materials to District and State criteria with consideration to our diverse district needs and to make a recommendation. The Elementary and Middle School Adoption Committees are recommending an 8-year contract with McGraw-Hill for Elementary mathematics instruction grades K-5 and for the Middle School mathematics classes Math 6, Math 7, Math 7 Accelerated, and Math 8. This contract would include online and printed materials for both teachers and students, teacher professional development, and the materials available in Spanish in support of emerging bilingual students and Dual Language programs.

Recommendation: Move to approve the standards-aligned Mathematics materials for Elementary and Middle School Mathematics instruction.
