10.9 Review and Potential Approval of Board Resolution 23/24-20 for Personnel with Provisional Internship Permits

PIP Resolution

The California Commission on Teacher Credentialing is no longer issuing emergency permits. However, the Commission replaced the Emergency Permit with the Provisional internship Permit (PIP) which provides applicants additional time to meet the subject matter competence requirement(s) needed to enter an internship program. A District may request a PIP only after a diligent search has been conducted and a fully credentialed teacher could not be found. The PIP is issued for one (1) year. All requests for a PIP must be presented to the Governing Board of a public school district for approval. Every PIP request that is submitted to the Commission on Teacher Credentialing must also include verification that a notice of intent to employ the named applicant has been made public.

15.3 Review and Potential Approval of 6crickets Management Tool for all 23 CARES Expanded Learning Program sites.

6crickets is an online Expanded Learning Management solution one-stop cloud platform that gives parents/guardians access to online registration for Expanded Learning Programs by allowing parents/guardians to view the programs available with a visually appealing program summary, dates, times and locations. 6crickets platform gives staff the ability to take attendance, run enrollment/attendance reports and have student contact information easily accessible. Six of CARES sites piloted 6crickets for Summer and Early Back programs with great success. Parents/Guardians and staff were impressed with the ease of registration. 6crickets will be used by all 23 (eighteen elementary schools, three middle schools, and two high schools) CARES Expanded Learning Program sites. 6crickets will provide training for staff. There are three components of the management system CARES Expanded Learning staff will use: - School Dashboard Annual License Fee: Each of the 23 schools will have a school dashboard. School administrators will be able to check the real time rosters, and real time attendance of their school from there. Each school dashboard will have a school portal, parents of the school can check all the programs held at their school, and register their students from there. -Annual license fee for Restricted School Portal Feature: The restricted school portal feature will enable the synchronization of the student data from the district's Student Information System to 6crickets.com. The student info will be auto populated to their parent's account, and the parents are not allowed to edit the SIS data on 6crickets.com to ensure that SIS is a single source of truth. -Provider Dashboard Annual License Fee for 2023/2024 School Year: Provider Dashboard is to list programs along with images and videos, manage seasons, assign sessions to different schools, manage instructors, access real-time rosters and attendance across campuses, and generate custom rosters. It also includes the instructor dashboard for assigned instructors to take attendance for their classes.

15.7 Review and Potential Approval of the Career Technical Education Incentive Grant (CTEIG)

Career Technical Education Incentive Grant (CTEIG) MDUSD Overview

The Career Technical Education Incentive Grant (CTEIG) Incentive program is a two year grant established as a state education, economic, and workforce development initiative with the goal of providing pupils in kindergarten through grade twelve (K–12) inclusive, with the knowledge and skills necessary to transition to employment and postsecondary education. The purpose of this program is to encourage, maintain, and strengthen the delivery of high-quality career technical education (CTE) programs. requiring 2:1 matching funds. Funds must be spent on the eleven elements of a high quality Career Technical Education (CTE) program; Leadership at all levels, high-quality curriculum and instruction; career exploration and guidance; student support and student leadership development; industry partnerships; system alignment and coherence; effective organizational design; system responsiveness to changing economic demands; skilled faculty and professional development; evaluation, accountability and continuous improvement; and CTE promotion, outreach, marketing, and communication. Mt. Diablo Unified has been awarded \$9,338,710 million dollars over the past nine years (2015-2023) to support development, expansion and enhancement of Career Technical Education (CTE) programs. Staff requests approval to apply for \$2 million dollars of the CTEIG grant beginning July 1, 2023, and ending December 31, 2025. MDUSD will spend the grant funds to continue supporting pathway development, work based learning opportunities, career exploration, purchase CTE equipment, supplies and material, and staff to support programming and implementation. Actual grant amount will be determined based on matching funds and funding available through CDE.

15.8 Review and Potential Approval of the Submission of the K12 Strong Workforce Grants, and Acceptance if Awarded

MDUSD K12SWP 2023-24 Grant Overview

Staff request approval to apply for the K12 Strong Workforce Program (K12SWP) Grants to create, support, and/or expand high-quality career technical education programs at the K-12 level aligned with the workforce development efforts, and encompasses a collaborative regional approach to increase the transition to post-secondary and career. Applications must be project based and occur within 30 months. MDUSD proposes to submit three SWP grant applications; two individually and one in partnership with Contra Costa County Office of Education (CCCOE) Consortium. MDUSD's first proposal is to develop the "21st Century Transportation Pathways: Modern and Expand" by establishing a Transportation Advisory Committee; revising the current Transportation curriculum to reflect current trends including hybrid, electronic & autonomous vehicles; exploring articulation and dual enrollment; expanding the pathway to Mt. Diablo High School; and developing a system of work based learning to support students and provide industry based certifications. This MDUSD grant would be \$700,000 and requires a 2:1 match from district grants and funds. MDUSD's second proposal is to create the "Equitable Access for Alternative Education Sites to Career Exploration & Career Technical Education (CTE) Pathways" by establishing an Alternative Education Advisory Committee to support implementation of CTE pathways based on student interest and Labor Market Information; update the Career Transitions course of study and implement at career pathways sites; Implement career exploration, readiness workshops and articulation at Alternative Education sites; and Implement CTE courses that lead into a post secondary pathway. This MDUSD grant would be \$300,000 and requires a 2:1 match from district grants and funds. The third application is with the Contra Costa County Office of Education (CCCOE) Consortium which includes 5 community colleges and 11 school districts, and will target pathway "Innovation Across All CTE Pathways" focused on Embedding Virtual Reality (VR) / Artificial Intelligence (AI), Design Thinking / Project Based Learning (PBL), and Career Exploration. The consortium is applying for approximately \$2M; the required match will be 1:1. The total amount received and match required will depend on the award amount. Staff anticipates matching up to 80,000, making MDUSD eligible for \$80,000 SWP funds.

15.17 Review and Potential Approval of the Use of Sourcewell Contract with Chefs' Toy/TriMark for Food Service Equipment Small Wares and Supplies for Mt. Diablo Unified School District

Chef's Toy/TriMark Sourcewell Contract #063022-SES

District staff presents the Sourcewell Cooperative Contract with Chefs' Toy/TriMark, #063022-SES. This contract was properly bid and awarded to TriMark, who has merged with Chefs' Toy. Sourcewell and TriMark are honoring this contract and purchases now made through the newly titled company, Chefs' Toy. The contract was awarded for Food Service Equipment Small Wares and Supplies, which district staff is looking to procure for needed replacements of kitchen equipment and supplies. Public agencies, such as MDUSD are allowed to use a properly bid and awarded agreement from another public agency that is accessible through a cooperative company, like Sourcewell, for products and services through PCC Section 20118, known as the piggyback clause. The Sourcewell Agreement with Chefs' Toy/TriMark, #063022-SES gives the District a great deal of flexibility in our purchasing decisions for kitchen equipment, small wares and other kitchen supplies with Chefs' Toy/TriMark. Many of our kitchen equipment is in need of replacement to keep our kitchens running efficiently.
