Pursuant to Education Code 46600, the Governing Boards of each school district agree as follows:

1. Applicability of this agreement is limited to grade levels mutually maintained by the contracting parties.
2. Each of the school districts may accept, insofar as facilities permit, students who are residents of the other who have proper permits for attendance from the district of residence, who are eligible to attend the classes of the schools operated by the district of attendance, and who are acceptable to the district of attendance. Consideration and approval of an application for an interdistrict transfer attendance permit shall be in compliance with the policies and regulations of the school district of attendance.
3. Upon approval by both school districts, a student shall be issued an interdistrict attendance permit, which typically shall be valid for one school year only, unless the policies and procedures of the school districts of residence and attendance provide otherwise.
4. Each school district of attendance shall furnish students the same advantages, supplies, and regular instructional services as are furnished to the other students attending these classes, with the exception of home to school transportation. Transportation will not be provided for students attending another school district pursuant to this Agreement.
5. Grounds for revocation of an interdistrict attendance permit are those outlined in the policies and regulations of the school district of attendance.

6. The attendance of students from the school districts covered by this Agreement shall be credited to the school district of attendance for apportionment purposes with the school district of attendance assuming all costs of education unless the districts agree otherwise.
7. No financial obligation shall be incurred by the district of residence for services rendered under this Agreement unless the districts agree otherwise.
8. The parties to this Agreement acknowledge that neither a district of residence or attendance may rescind an existing transfer permit for a student entering grades 11 or 12 in the subsequent school year.
9. This Agreement shall begin July 1, 2011 and end June 30, 2016 and supersedes all previous Interdistrict Attendance Agreements between the parties. Any party may terminate this Agreement effective at the beginning of a school year by giving written notice to the other parties at least three (3) months prior to the beginning of the school year.
