REBATES

Based on a sole award as proposed in Bid No 1586, and in an effort to support Mt Diablo in this uncertain economic environment, Office Depot is proposing a 3% annual volume rebate. Also, in addition to the annual volume rebate, Office Depot will include a Point-of -Sale discount per order. The rebate opportunities are outlined below and additional information is available upon request:

Annual Volume Rebate

Office Depot will provide an overall annual rebate of 3% of annual "spend" by Mt. Diablo. "Spend" shall mean all paid for purchases, net of returns, discounts and credits. Office Depot's annual rebate will be comprised of two components, i.e. a "pre-bate" paid within 45 days of the award of the Contract, and a total "rebate" which will be paid within 45 days at the end of the Contract year..

The pre-bate will be calculated based upon 1% of projected 2012 Spend. For example, if the projected Spend is \$ 630,000, the pre-bate payment will be \$ 6,300.00.

At the end of the Contract year, total Spend will be determined and the total annual rebate shall be 3% of that amount. The rebate check will be for the total amount of the annual rebate, less the amount of the pre-bate, already paid to Mt. Diablo.

REBATE EXAMPLE	
Projected Annual Spend	\$ 630,000
1 % Pre-Bate Payment	\$ 6,300
Final Contract Sales	\$ 670,000
Total Annual Rebate Earned at 3%	\$ 20,100
Year end Rebate Payment= Total earned less pre-bate paid	\$ 13,800
Total Annual Rebate Paid	\$20,100

Please note- in the event the contract is cancelled prior to the pre-bate amount having been earned, a pro-rata portion of the pre-bate payment shall be refunded to Office Depot within 45 days of cancellation date.

Point of Sale Discount

For every order that has a value greater then \$120.00 our invoicing system will automatically discount those orders by 1%. This discount will show at the point of sale. To maximize the benefit of this point of sale discount, Office Depot representative, Alona McIndoe will work with Purchasing and District end-user's to train and maximize this point of sale discount.
