Re: Proposal: Provide DSA Project Inspector Services
Ygnacio Valley High School
Sports Field Lighting

Mr. Stark,

The following is a proposal based on information provided by the District for the installation of sports field lighting at Ygnacio Valley High School. My services as District Project Inspector would include but are not limited to:

- * Inspections in accordance with CBC Title 24, DSA Dwgs/Specs.
- * Correspondence with School District, CM, AOR, DSA
- * Coordination with Contractor(s) for T&I requirements.
- * Attendance of weekly progress meetings.
- * Scheduling and overseeing of Testing lab.
- * Verification of accessibility requirements.
- * Documentation of all work performed, including daily reports, DSA Semi monthly reports, photographic documentation, close out

The following hourly rate is submitted:

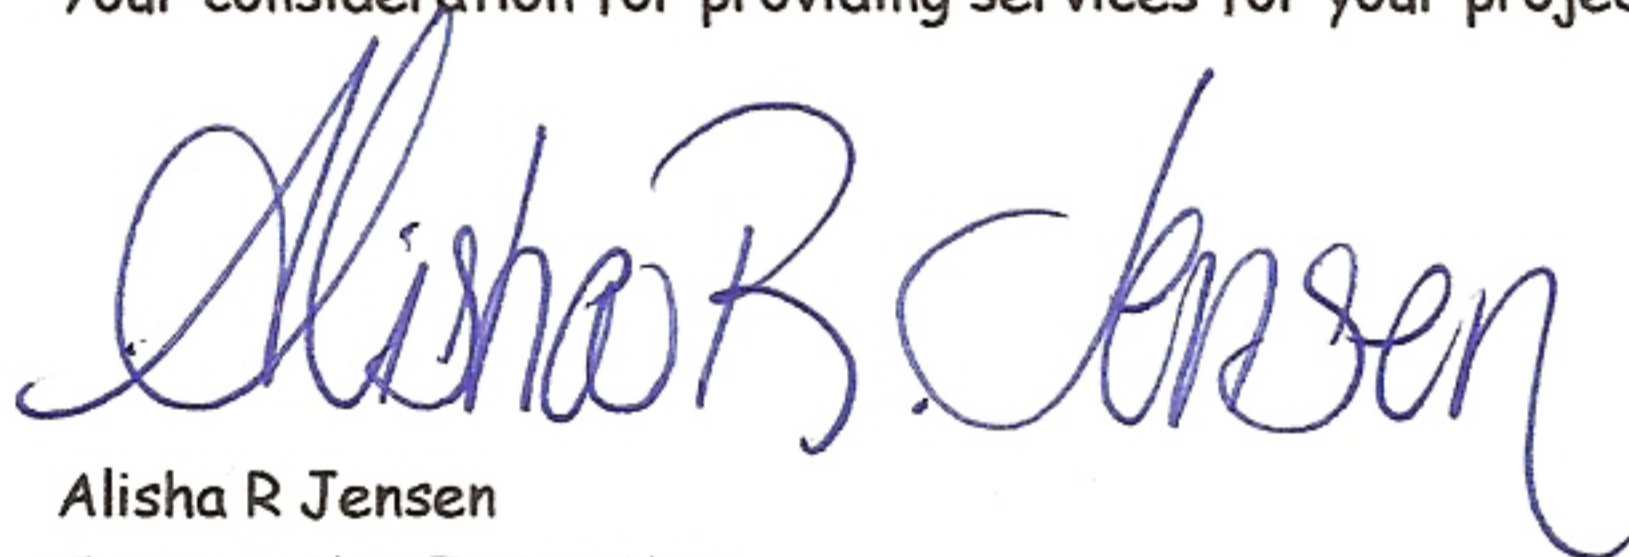

Regular hourly rate: \$85.00/hour (DSA Class 1 Inspector)
\$75.00/hour (DSA Class 2 Inspector)

Based on an estimated construction period of 2 months the following is submitted:

12 hours a week for 8 weeks = 96 hours
96 hours X \$85/hr = \$8,160.00

The total proposed amount is not to exceed: \$8,160.00

Your consideration for providing services for your project is appreciated.
