

Award of Contract to Tasty Indian Pizza

Content Minutes

Rationale

The Food Services Department regularly buys from many different vendors. Both federal regulations and California state laws require all procurement for Child Nutrition Programs - without regard to dollar value - to be conducted in a manner that promotes maximum open and free competition. SFAs must conduct either a formal or informal bidding process. Due to exceeding the \$250,000 threshold, a RFP was required. The Food Service Department went through the formal procurement process for our pizza provider. The results are below.

An RFP for Child Nutrition Pizza (RFP# 2024-03-13) was published on April 4th, the submission deadline was April 19th, and the evaluation and notification process was completed on April 22nd. Tasty Indian Pizza was awarded the contract for the remainder of the school year with the option to mutually renew for two years.

Financial Impact

Student demand will drive amount spent. Per unit pricing is outlined in the RFP. Food Services Funds.
