Mt. Diablo Unified School District

California Distinguished Schools

MDUSD is proud that three District Schools have been named 2023 California Distinguished Schools by the California Department of Education (CDE): Bancroft and Walnut Acres elementary schools in Walnut Creek and Sequoia Elementary in Pleasant Hill!

"Since its inception in 1985, the California Distinguished Schools Award remains one of the important ways to celebrate exceptional schools, districts, teachers, and classified employees for their innovation, talent, and success in supporting students," according to the CDE news release.

The CDE identified 356 elementary schools statewide for this honor, based on their performance on state indicators on the 2022 California School Dashboard including assessment results, chronic absenteeism, suspension rates, and socioeconomic data.
