$$\text{tax} = (\$5,500.00 + \$109,000.00) \times 9.75\% = \$11,163.75 \text{ gm}$$

Total List Price	\$176,000
Total Product Discount	0.00%
Grand Total	\$176,000.00

### Scope of Work

Product	Quantity	Product Description
QUEST - All Access License	42.00	The QUEST All Access License is purchased per facilitator and grants access to the entire online portal including the QUEST game interface, all corresponding digital materials required for gameplay, the digital game components, 40+ animated storyline videos, training tutorial modules, CASEL-aligned SEL lesson guides, all downloadable resources and the complete QUEST Creators curriculum. QUEST Creators is organized by grand-level bands (K-2, 3-5, 6-8) and accompanied by an online learning guide that includes whole-group instruction, small-group collaborative work, and individual reflective writing.
*QUEST - Base Game Kit (Season 2)	22.00	The Season 2 *GLITCH* Base Game Kit is purchased by season and equips a classroom with all the necessary components for gameplay. The QUEST game box is comprised of eight episode boxes, over 200 unique game pieces and a facilitator box, providing over 20 hours of experiential learning. The base game box materials are reusable allowing for flexible implementation opportunities across a school year.
QUEST Certification (up to 25 attendees)	2.00	ProSolve provides in-person development opportunities for district staff to become fully trained and certified to run our QUEST Program throughout the school year. This training covers everything they will need to utilize our QUEST platform, operate the game, and develop their students. Additionally, we provide a project manager to help coordinate the program, an online event management platform to help organize the event, and analytics on attendance, growth, and program feedback.
*QUEST Club - Student Materials	109.00	The QUEST Club Student Materials include the physical materials that will be used and consumed by students during game play. This package is purchased based on the number of classrooms implementing QUEST and is built on a 1:25 facilitator/student ratio. QUEST Club student materials are not reusable.

\*Please add your applicable sales tax to all physical items. Shipping and handling are included.
