Resolution No. 12/13 - 35

WHEREAS, the Governing Board of the Mt. Diablo Unified School District has determined it is necessary to reduce or discontinue particular kinds of services of the District for the 2013-2014 school year in accordance with Education Code sections 44949 and 44955; and

WHEREAS, due to the reduction or discontinuance of services, the Governing Board has determined that it is in the best interest of the District that the number of regular certificated employees of the District be reduced; and

WHEREAS, the Governing Board has considered all positively assured attrition, including all deaths, resignations, retirements, nonreelections, and other permanent vacancies for 2013-2014 and, but for attrition already assured, the Governing Board would have found it necessary to reduce additional services; and

WHEREAS, the Governing Board is authorized by Education Code section 44955 to establish criteria based upon the needs of the District and its students for determining the order of termination as between certificated employees with the same seniority date; and

WHEREAS, Education Code section 44955 provides that the services of no permanent employee may be terminated while any probationary or other employee with less seniority is retained to render a service which the permanent employee is certificated and competent to render; and

WHEREAS, Education Code section 44955 authorizes the District to deviate from terminating certificated employees in order of seniority where the District demonstrates a specific need for personnel to teach a specific course or courses of study; and

WHEREAS, all temporary employees will be given notice that their services will not be needed in the 2013-2014 school year and no permanent employee will be terminated while any probationary or other employee with less seniority is retained to render a service which the permanent employee is certificated and competent to render.
