

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE WORKFORCE DEVELOPMENT BOARD OF CONTRA COSTA COUNTY
AND ONE STOP/AJCC PARTNERS**

Purpose of MOU

The Workforce Innovation and Opportunity Act (WIOA) requires that a MOU be developed and executed between the Local Board and the America's Job Center of CaliforniaSM (AJCC) partners to establish an agreement concerning the operations of the AJCC delivery system. The purpose of the MOU, is to establish a cooperative working relationship between the parties and to define their respective roles and responsibilities in achieving the policy objectives. The MOU also serves to establish the framework for providing services to employers, employees, job seekers and others needing workforce services.

California's one-stop delivery system, the AJCC, is a locally-driven system which develops partnerships and provides programs and services to achieve three main policy objectives established by the California Workforce Development Strategic Plan, which includes the following:

- Foster demand-driven skills attainment
- Enable upward mobility for all Californians
- Align, coordinate, and integrate programs and services

These objectives will be accomplished by ensuring access to high-quality AJCC that provides the full range of services available in the community for all customers seeking the following:

- Looking to find a job.
- Building basic educational or occupational skills.
- Earning a postsecondary certificate or degree.
- Obtaining guidance on how to make career choices.
- Seeking to identify and hire skilled workers.

Local/Regional Vision Statement, Mission Statement, and Goals

The Workforce Development Board of Contra Costa County (WDB), in partnership with the Contra Costa County Board of Supervisors, has articulated a compelling **Vision** for economic vitality in our county and region:

"Contra Costa County's Workforce Development Board supports a network that creates and promotes dynamic education systems, high-performing businesses, and a prosperous local economy with an abundance of high-quality jobs and skilled workers to fill them."

The publicly funded workforce system is quality-focused, employer-driven, customer-centered, and tailored to meet the needs of the regional economy. It is designed to increase access to, and opportunities for, the employment, education, training and support services that individuals need to succeed in the labor market, particularly those with barriers to employment. It aligns workforce development, education, and economic development programs with regional economic development strategies to meet the needs of local and regional employers and provide a high-quality workforce. This is accomplished by providing all customers access to high-quality AJCC that connects them to the full range of services available in their communities.

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE WORKFORCE DEVELOPMENT BOARD OF CONTRA COSTA COUNTY
AND ONE STOP/AJCC PARTNERS**

Each AJCC partner agrees to adhere to the provisions of WIOA and to the greatest extent possible the following guiding vision and principles for California’s One-Stop delivery system that services will be:

- (1) Integrated and affording universal access to the system overall (offering as many employment, training, and education services as possible for individuals seeking jobs or wishing to enhance their skills)
- (2) Comprehensive (offering a large array of useful information with wide and easy access to needed services);
- (3) Customer-focused (providing the means for customers to judge the quality of the services and make informed choices, and recognizing that customers might be job seekers, businesses or partners)
- (4) Performance-based (based on a set of shared outcomes to be achieved and methods for measurement)

One-Stop System Services

Contra Costa County is a very diverse county covering 805 square miles with a population just over 1,000,000 (2010 Census). The comprehensive AJCC, which incorporates programs, services and activities of all required partners, is located in Concord. Because of unique characteristics of their individual economies, the WDB has delineated the county into three sub-regions: West, Central, and East. Each sub-region has established a Workforce Integration Network (WIN). These WINs include a variety of partners (public, private, and non-profit) to support the mission, vision of the WDB, and are committed to working together to achieve the goal of moving as many individuals, families and businesses as possible toward economic self-sufficiency.

The WDB and AJCC provide WIOA basic services to all customers including: businesses, workers, under-employed individuals, and unemployed individuals. Individuals who meet WIOA eligibility requirements and priority of service will receive WIOA individualized services.

Responsibilities of AJCC Partners

AJCC partners agree to carry out the following shared responsibilities in order to strengthen the capacity and effectiveness of the Contra Costa County AJCC in achieving its service goals for job seekers, employers and employees:

- Participate in joint planning, plan development, and modification of activities to accomplish the following:
 - Continuous partnership building with each other and all agencies in the county engaged in education, training and employment services.

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE WORKFORCE DEVELOPMENT BOARD OF CONTRA COSTA COUNTY
AND ONE STOP/AJCC PARTNERS**

- Continuous planning in response to state and federal requirements.
 - Responsiveness to local and economic conditions, including employer needs.
 - Adherence to common data collection and reporting needs.
-
- Make services provided by partner programs available to eligible customers through the One-Stop delivery system.
 - Participate in the operation of the AJCC system, consistent with the terms of this MOU and requirements of authorized laws.

Funding of Services and Operating Costs

AJCC partners who are physically co-located at the Concord AJCC more than 20 hours per week agree to share in the operating costs of the AJCC system, either in cash or through in-kind services. As of May 2019, these are EDD and two EHSD programs: Senior Community Service Employment Program (SCSEP) and CalWORKs.

AJCC partners will ensure that the shared costs are supported by accurate data, are consistently applied over time, and the methodology used in determining the shared costs are reflected in a separate Infrastructure Funding Agreement that will be negotiated in good faith.

Methods for Referring Customers

AJCC partners commit to mutually implement processes for the referral of customers to services not provided on-site. All parties to this MOU agree that they will:

- Ensure that intake and referral processes are customer-centered and provided by staff trained in customer service.
- Ensure that general information regarding AJCC programs, services, activities and resources shall be made available to all customers as appropriate.

Information on the customer referral process and direct links for access to AJCC partner staff will be included in the attached MOU addendum.

Access for Individuals with Barriers to Employment

The WDB has established a local priority of service policy that will be implemented at the AJCC to ensure access for individuals with barriers to employment. "Barriers to employment" is defined as characteristics (physical condition or personal situation) that may hinder an individual's hiring, promotion or participation in the labor force.

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE WORKFORCE DEVELOPMENT BOARD OF CONTRA COSTA COUNTY
AND ONE STOP/AJCC PARTNERS**

Each AJCC partner ensures that policies, procedures, programs, and services are in compliance with the *Americans with Disabilities Act of 1990* and its amendments, in order to provide equal access to all customers with disabilities.

Shared Technology and System Security

WIOA emphasizes technology as a critical tool for making all aspects of information exchange possible, including client tracking, common case management, reporting, and data collection. To support the use of these tools, each AJCC Partner agrees to the following:

- Comply with the applicable provisions of WIOA, the California Welfare and Institutions Code, the California Education Code, the Rehabilitation Act, and other applicable statutes, regulations and requirements.
- Adhere to principles of common reporting and shared information through electronic mechanisms, including shared technology with sufficient security.

- Develop technological enhancements that allow interfaces of common information needs, as appropriate.
- Understand that system security provisions shall be agreed upon by all partners.

Confidentiality

Each AJCC Partner to this MOU agrees to comply with the provisions of WIOA as well as the applicable sections of the California Welfare and Institutions Code, the California Education Code, the Rehabilitation Act, and any other applicable statutes and requirements to ensure the following:

- All applications and individual records related to services provided under this MOU, including eligibility for services and enrollment and referral, shall be confidential and shall not be open to examination for any purpose not directly connected with the delivery of such services unless expressly permitted by law.
- No person will publish, disclose use, or permit, cause to be published, disclosed or used, any confidential information pertaining to AJCC applicants, participants, or customers overall unless a specific release is voluntarily signed by the participant or customer or their legal representative.
- Compliance with the confidentiality provisions of the respective statutes to which AJCC partners must adhere, while sharing information necessary for the administration of the program as allowed under law and regulation. Each AJCC partner, therefore, agrees to share client information necessary for the provision of services such as assessment, universal intake, program or training referral, job development or placement activities, and other services as needed for employment or program support purposes.
- Client information shall be shared solely for the purpose of enrollment, referral or provision of services or as otherwise required by law. In carrying out their respective responsibilities, each party shall respect and abide by the confidentiality policies of the other parties to the extent as permitted by law.

Non-Discrimination and Equal Opportunity

The AJCC partner shall not unlawfully discriminate, harass or allow harassment against any employee, applicant for employment or AJCC applicant due to sex, gender, race, color, ancestry, religion, national origin, military or veteran status, physical disability, mental disability, medical condition(s), genetic information, age, sexual orientation, gender identity or expression, or marital status. Each AJCC partner agrees to comply with the provisions of the Fair Employment and Housing Act (Cal. Gov. Code § 12990) and related regulations.

The AJCC partner will ensure compliance with the Americans with Disabilities Act of 1990 and its amendments, which prohibits discrimination on the basis of disability, as well as other applicable regulations and guidelines issued pursuant to the Americans with Disabilities Act.

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE WORKFORCE DEVELOPMENT BOARD OF CONTRA COSTA COUNTY
AND ONE STOP/AJCC PARTNERS**

Grievances and Complaints Procedure

AJCC partners agree to establish and maintain a procedure for grievance and complaints as outlined in WIOA. The process for handling grievances and complaints is applicable to customers and partners. These procedures will allow the customer or entity filing the complaint to exhaust every administrative level in receiving a fair and complete hearing and resolution of their grievance. AJCC partners further agree to communicate openly and directly with each other and the WDB to resolve any problems or disputes related to the provision of services in a cooperative manner and at the lowest level of intervention possible.

Americans with Disabilities Act and Amendments Compliance

All AJCC partner MOU signatories agree to ensure that the policies and procedures as well as the programs and services provided at the AJCC are in compliance with the *Americans with Disabilities Act of 1990* and its amendments. Additionally, AJCC partners agree to fully comply with the provisions of WIOA, Title VII of the Civil Rights act of 1964, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, 29 CFR Part 37 and all other regulations implementing the aforementioned laws.

Effective Dates and Term of MOU

This MOU shall be binding upon each party hereto upon execution by such party. The term of this MOU shall be three years, with an annual review and update of the Infrastructure Funding Agreement (IFA) commencing on July 1, 2019. The MOU will be reviewed and updated, at a minimum, every three years in order to ensure it contains up-to-date information regarding funding, delivery of services, and changes in the signatory officials of the WDB, CEO, and/or AJCC partners. In the event that the terms of this MOU conflict with other applicable contracts with AJCC partners, the terms of the individual contracts take priority.

Modifications and Revisions

This MOU constitutes the entire agreement between the parties and no oral understanding not incorporated herein shall be binding on any of the parties hereto. This MOU may be modified, altered, or revised, as necessary, by mutual consent of the parties, through the issuance of a written amendment, executed by the AJCC partners.

Additional AJCC Partner Agencies

This MOU contemplates that, from time to time, additional AJCC partners may be identified. If and when this happens, each new AJCC partner must sign an MOU with WDB on the same terms as this MOU. Approval of additional AJCC partners is at WDB's discretion. Signatures of other partner agencies will not be required on any MOU between a new AJCC partner and the WDB.

Termination

The parties understand that implementation of the AJCC system is dependent on the good faith effort of every partner to work together to improve services to the community. The parties also agree that this is a

project where different ways of working together and providing services are being tried. In the event that it becomes necessary for one or more parties to cease being a part of this MOU, said entity shall notify the other parties, in writing (email acceptable), thirty (30) days in advance of that intention. Communication must be sent to the Executive Director of the Workforce Development Board, with all partners copied. The agreement may also be terminated immediately by full mutual agreement.

Administrative and Operations Management

Supervision/Day to Day Operations

The day-to-day coordination of staff assigned to the AJCC will be the responsibility of the site supervisor(s), while the original employer of staff assigned to the AJCC will continue to set the priorities of its staff. Any change in work assignments or any problems at the worksite will be handled by the site supervisor(s) and the management of the original employer.

The office hours for the staff at the AJCC will be established by the site supervisor(s) and the primary employer. All staff will comply with the holiday schedule of their primary employer and will provide a copy of their holiday schedule to the operator and host agency at the beginning of each fiscal year. Partner organizations will proactively communicate with AJCC sites regarding additional non-work days (i.e., sick days, vacation days).

Disciplinary actions may result in removal of co-located staff from the AJCC and each party will take appropriate action.

Each AJCC partner shall be solely liable and responsible for providing to, or on behalf of, its employee(s), all legally required employee benefits. In addition, each party shall be solely responsible, indemnify and hold all other parties harmless from all matters relating to payment of each partner's employee(s), including compliance with social security withholding, workers' compensation, and all other regulations governing such matters.

Dispute Resolution

In the event that any disputes arise, AJCC partners shall continue with responsibilities under this MOU during any dispute, unless otherwise terminated. AJCC partners agree to attempt to resolve policy or practice disputes at the lowest level, starting with the site supervisor(s) and staff. If issues cannot be resolved at this level, they shall be referred to the management staff of the respective staff employer and the operator for discussion and resolution.

Press Releases and Communications

Participation of each AJCC partner in press/media presentations will be determined by each AJCC partner's public relations policies.

AJCC partners agree to utilize the AJCC logo developed by the State of California and the WDB on facilities identified for AJCC usage, as well as AJCC partner websites.

INDEMNIFICATION

In accordance with provisions of Section 895.4 of the California Government Code, each party hereby agrees to indemnify, defend and hold harmless all other parties identified in this MOU from and against any and all claims, demands, damages and costs arising out of or resulting from any negligent or wrongful acts or omissions which arise from the performance of the obligations by such indemnifying party pursuant to this MOU. In addition, except for Departments of the State of California which cannot provide for indemnification of court costs and attorneys fees under the indemnification policy of the State of California, all other parties to this MOU agree to indemnify, defend and hold harmless each other from and against all court costs and attorneys fees arising out of or resulting from any negligent or wrongful acts or omissions which arise from the performance of the obligations by such indemnifying party pursuant to this MOU. It is understood and agreed that all indemnity provided herein shall survive the termination of this MOU.

Cost-Sharing (Infrastructure Funding Agreement)

This portion of the MOU outlines resource sharing and joint cost funding. By their signatures, all mandated AJCC partners agree to the cost methodology used to calculate shared costs.

Only co-located partners are required to contribute to the infrastructure costs. “Co-located partners” are partners who are physically present in the Concord AJCC (Comprehensive One-Stop Center) at least 20 hours per week and who have space dedicated to their program(s).

AJCC Partners co-located on an itinerant basis (fewer than 20 hours per week and without dedicated workspace) are not subject to infrastructure cost sharing unless and until such time as their usage of space becomes allocable.

Shared AJCC infrastructure costs, estimated cost amounts, methodology for the sharing of costs, and each AJCC Partner’s proportionate share of costs are identified in the AJCC Cost Sharing Calculation (pp. 12-13).

All AJCC partners agree to report the cost to provide applicable career services to the WDB.

Duration, Consensus and Review Schedule

The duration of this MOU and the included Infrastructure Funding Agreement (IFA) is July 1, 2019 through June 30, 2021. Consensus on methodology was reached through a series of AJCC partner meetings and individual meetings with AJCC partners. Negotiations were conducted in good faith and in accordance with guidance issued by the State. To ensure service and cost agreements in this MOU are current and that the MOU and IFA remain consistent with agreed-upon cost-sharing methodology, all parties agree to review and update the MOU every three years and the IFA annually. Parties agree to renegotiate the terms of the MOU and/or IFA if necessary to ensure all parties continue to contribute their fair and equitable share.

Cost Allocation Plan for AJCC Infrastructure

The Comprehensive AJCC in the Contra Costa Local Workforce Development Area is located at:

Concord AJCC
4071 Port Chicago Highway
Concord, CA 94520

Infrastructure Cost Allocation Methodology:

The co-located AJCC Partners agree that the cost allocation methodology to be used to determine proportionate share of infrastructure costs for each co-located partner is the proportion of an AJCC partner program's exclusive use square footage of the AJCC. Common area square footage is allocated based on each AJCC Partner's exclusive use square footage.

The cost allocation methodology was selected because it adheres to the following:

- Consistent with federal laws authorizing each AJCC partner's program
- Complies with federal cost principles contained in Uniform Guidance
- Includes only costs that are allowable, reasonable, necessary, and allocable to each AJCC partner program
- Is based on a measure that mathematically determines the proportionate use and benefit received by each collocated AJCC partner.

Reconciliation and Billing

EHSD will bill co-located AJCC partners quarterly for the difference between their contributions and actual costs incurred. If actual costs are less than the estimated cost, then EHSD will reimburse the AJCC partners for the difference. If the actual costs are more than the estimated cost, then EHSD will invoice the applicable AJCC partners the appropriate additional cost. EHSD will provide all parties with a year-end reconciliation of actual costs. If EHSD negotiates a new master lease for the property located at or in 4071 Port Chicago Highway, Concord, CA, applicable AJCC partners will be notified at least ninety (90) days in writing to their designated representatives before the start of the new lease.
