Specific issue(s) of the complaint: (Please check all that apply. A complaint may contain more than one allegation.)

1. Textbooks and instructional materials: (Education Code 35186; 5 CCR 4681)
- A pupil, including an English learner, does not have standards-aligned textbooks or instructional materials or state- or district-adopted textbooks or other required instructional materials to use in class.
 - A pupil does not have access to textbooks or instructional materials to use at home or after school. This does not require two sets of textbooks or instructional materials for each pupil.
 - Textbooks or instructional materials are in poor or unusable condition, have missing pages, or are unreadable due to damage.
 - A pupil was provided photocopied sheets from only a portion of a textbook or instructional materials to address a shortage of textbooks or instructional materials.

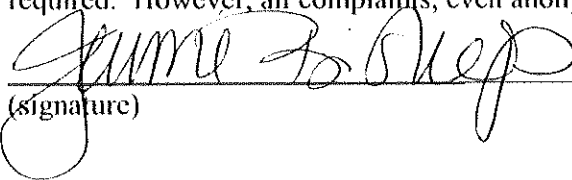

2. Teacher vacancy or misassignment: (Education Code 35186; 5 CCR 4681)
- A semester begins and a teacher vacancy exists. A teacher vacancy is a position to which a single designated certificated employee has not been assigned at the beginning of the school year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester.

 - A school restroom has not been cleaned or maintained regularly, is not fully operational, or has not been stocked at all times with toilet paper, soap, and paper towels or functional hand dryers.
 - The school has not kept all restrooms open during school hours when pupils are not in classes and has not kept a sufficient number of restrooms open during school hours when pupils are in classes. This does not apply when closing of the restroom is necessary for pupil safety or to make repairs.
4. High school exit exam intensive instruction and services: (Education Code 35186)
- Pupils who have not passed the high school exit exam by the end of grade 12 were not provided the opportunity to receive intensive instruction and services pursuant to Education Code 37254(d)(4) and (5) after the completion of grade 12.

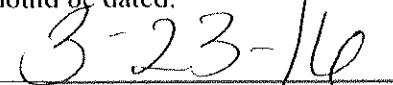

Please describe the issue of your complaint in detail. You may attach additional pages and include as much text as necessary to fully describe the situation. For complaints regarding facilities conditions, please describe the emergency or urgent facilities condition and how that condition poses a threat to the health or safety of pupils or staff.

Cockroaches throughout the school and in classrooms.
 Today, March 23rd 2016, I observed one in bright-day light. As well I observed one on Monday 21st, Thursday March 17th and on March 14th when I visited in the classroom previously there use to be live and dead ones on arrival in the classroom. I know the school was spraying, but apparently not enough or frequently. The weeds behind 5th grade and around the school need to be killed and the grounds need to be sprayed!
 Please file this complaint at the following location: This is unsanitary for our children!
