**RE: Evidence of Self-Insurance**

Dear Ms. Wilburn:

This is to confirm that The Regents of the University of California maintains a program of self-insurance for general liability including bodily injury, property damage, and personal injury for at least \$1,000,000 per occurrence and \$2,000,000 aggregate. The Regents of the University of California also maintains programs of self-insurance for automobile liability for at least \$1,000,000 per occurrence and workers' compensation. This coverage applies to claims, costs, injuries, or damages, but only in proportion to and to the extent such claims, costs, injuries or damages are caused by the negligent acts or omissions of The Regents of the University of California, its officers, agents or employees.

This evidence of self-insurance is issued in connection with the Independent Contractor Agreement between the University of California, Berkeley's School of Optometry and the Mt. Diablo Unified School District to provide vision screening to Kindergarten, 2<sup>nd</sup> grade and select pre-school and special education students for the 2024/2025 school year from June 1, 2024 through May 31, 2025.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Janice L. Hing'.
