Mr. Bjerke,

I am writing to you today to confirm your bids with the MDUSD numbers 1888, 1889 and 1890 for painting multiple school exteriors.

I have some concern for the prices you have provided and therefore want to be very clear with this confirmation communication. Prices quoted include all of the MDUSD specifications for complete primer of all surfaces to be painted. Also, prices include all buildings on each property belonging to the district including sheds, restrooms, etc... The MDUSD is driving for a zero change order project. There will not be any room for negotiating any oversight on behalf of the contractor. Your bid is to include all specifications provided during the bid and the guarantees of the final work product per the contract documents.

With these reminders in mind, please certify for all three bids with a response to this letter indicating that you stand by your bids as submitted. If you wish to withdraw, you will need to provide your reason.

Please respond before Friday 4/16/21 at 12:00 noon.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brad Hunter".
