# GLADYS DR. AND VICINITY MAIN REPLACEMENT PROJECT

# GLADYS DR. AND VICINITY MAIN REPLACEMENT PROJECT

## Benefits

- New hydrant will increase fire coverage for the school and the adjacent neighborhood
- Relocating fire service will reduce impact to school foot traffic in pick and drop off zone and improve CCWD maintenance access

To implement these improvements, CCWD is seeking approval of easement and relocations from MDUSD

# GLADYS DR. AND VICINITY MAIN REPLACEMENT PROJECT
