Subject: Receipt of WASC Third-Year Progress Report

Dear Ms. Abbate:

This is to acknowledge receipt of the *ACS WASC Third-Year Progress Report*, which was required as part of your current ACS WASC accreditation status. Should questions arise during the review process, we will be in contact with you; otherwise, you may assume that your report has met the accreditation requirements.

The ACS WASC Commission policy requires that a copy of this report should have been presented to your District Leadership and/or Board of Trustees for formal review and acceptance prior to forwarding the report to the ACS WASC Office. If you have not already done so, please comply with this request. As a courtesy, you may also wish to send a copy of the report to the chairperson of the last Visiting Committee.

Our primary goal is to assist you in providing the highest quality educational opportunities for your students. The ACS WASC Commission looks forward to working with your school on this very important school improvement process.

Sincerely,

Barry R. Groves, Ed.D.
President
