It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR pursuant to an Individualized Education Program (hereinafter referred to as "IEP"), and/or Individual Family Service Plan (hereinafter referred to as IFSP)
- b) **SELPA Collaborative:** The LEA is a member of the Diablo Area Districts Collaborative. Nonpublic schools and nonpublic agencies that are geographically located in one of the participating SELPAs agree to participate in this collaborative process to establish a uniform contract for identified services and standards. The established system provides NPA/Ss with an opportunity to have input to the development of the process, contract issues, etc., and a simplified, standard process for rate negotiation with the participating SELPAs. Issues listed on the Rate Schedule portion of this Master Contract may be reviewed on an annual basis upon request of the CONTRACTOR using the established Diablo Area Districts Collaborative system. CONTRACTOR agrees that the rates set forth in this Master Contract will remain unchanged from July 1 through June 30 of the term of contract, with no changes in the services provided, unless changed in a duly executed amendment to this Master Contract signed by both parties. Increases in rates will be considered on an annual basis and remain unchanged for the term of the contract from July 1 through June 30, with no changes in level of service provided without written approval by both parties.
- c) NPA/Ss that are not geographically located in a participating SELPA should negotiate rates with their geographically corresponding SELPA(s). The LEA will contact the corresponding SELPA to verify established rates. Increases in rates will be considered on an annual basis and remain unchanged for the following year from July 1 through June 30, with no changes provided without written approval by both parties.
- d) Any CONTRACTOR not participating as a member of the Diablo Area Districts Collaborative shall individually negotiate rates following local SELPA and/or LEA procedures. Those CONTRACTORs shall notify the SELPA with whom they contract of any proposed rate changes effective July 1 by March 1 of the preceding year.
- e) The DADC Chair shall maintain, annually update and disseminate to all LEAs, NPS/As who are members of the Collaborative, a master rate schedule reflecting such NPS/A rates.

Such authorization may be provided electronically, by telecommunications, by mail or by fax. Unless otherwise agreed in writing, or in the student's ISA, CONTRACTOR acknowledges its obligation to provide all services specified in the pupil's IEP/IFSP. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s). After attending one meeting during the school year (including Extended School Year), upon request, a CONTRACTOR who is providing NPA services may request payment for services for attending any additional meetings mandated by the LEA. The request for payment will be at the CONTRACTOR'S agreed upon hourly rate.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a BIP, the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to

support those goals. NPS site based staff and relevant NPA staff will be trained in positive behavior strategies prior to working with students.

- b) CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports (BER).

Evidence of training in a SELPA approved crisis intervention program to staff working in a staffing ratio of 1:1 with students with severe behavioral needs shall be submitted to the LEA at the beginning of the school year and within thirty (30) days of any new hire as referenced above. If the training is not able to be provided within 30 days, the non-public school or agency will notify the LEA to determine a plan to provide the training in a timely manner.
- e) Pursuant to Education Code section 56521.1 emergency interventions shall not be used as a substitute for a Behavior Intervention Plan (BIP), and instead may only be used to control behavior that is unpredictable and spontaneous. For an emergency intervention to be used, the behavior must pose a clear and present danger of serious physical harm to the individual with exceptional needs, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency intervention shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.
- f) CONTRACTOR shall complete a BER when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies *require* a BER form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student does not have a Behavior Intervention Plan (“BIP”) or Positive Behavior Intervention Plan (“PBIP”), an IEP team shall schedule a meeting to review the BER, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.
- g) Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

 - iii) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities.
 - iv) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma.
 - v) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities. including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention.

- vi) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
 - vii) An intervention that precludes adequate supervision of the individual.
 - viii) An intervention that deprives the individual of one or more of his or her senses.
- h) NPS/NPA staff shall not use prone restraint.
- i) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

Written discipline reports shall include, but not be limited to: the LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP/IFSP meeting no later than the tenth (10th) day of suspension. LEA shall notify and invite CONTRACTOR representatives to the IEP/IFSP team meeting where the manifestation determination will be made.

33) IEP/IFSP TEAM MEETINGS

- a) Upon referral of an LEA student to CONTRACTOR, the LEA shall provide CONTRACTOR with a copy of that student's IEP/IFSP, as well as available assessment information, and facilitate, if requested, an observation of the student. CONTRACTOR retains the right to decline enrollment of any student, unless ordered by the Office of Administrative Hearing (OAH) or a Court of Competent Jurisdiction. CONTRACTOR shall notify the LEA written notification of its intent to decline enrollment of the LEA student.
- b) An IEP/IFSP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the LEA student continue to be best met at the nonpublic school; and (3) whether changes to the LEA student's IEP/IFSP are necessary, including whether the student may be transitioned to a public school setting. With parent and LEA concurrence, an IEP team may excuse a required IEP team member either from the entire meeting or after the member's report.
- c) Each LEA student shall be allowed to provide confidential input to any representative of his or her IEP/IFSP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP/IFSP team meetings regarding LEA students for whom ISAs have been or may be executed. A CONTRACTOR who is providing NPA services may request payment for services for attending any meeting that occurs after the Annual Review of the IEP/IFSP. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP/IFSP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP/IFSP team meetings at a time and place that is mutually convenient to parents, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures.
- d) Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP/IFSP. In

the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP/IFSP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

2. COMPLIANCE WITH STATE OF TEXAS LAWS, STATUTES, REGULATIONS:
