Staff recommends the budgetary elimination of one Director of Human Resources position and a change and reclassification of the position to the prior Executive Director of HR position (with an increase in duties and responsibilities) to the position of Executive Director of Human Resources & Risk Management. This change, with little budget impact, more accurately reflects the level of work and responsibilities being completed (as well as our current District needs), allows for the addition of more work for this position in Risk Management, and will improve the coordination and operational efficiency across the Benefits, Risk Management, and Human Resources departments. Prevention Plan that includes: • Prohibiting employee retaliation. • Accepting and responding to reports of workplace violence. • Employee workplace violence training and communication. • Emergency response. • Workplace violence hazard assessments. • Other requirements, such as maintaining a Violent Incident Log. 15.27 Review and Approval of Renewal Memorandum of Understanding (MOUs) between Mt. Diablo Unified School District and Eagle Peak Montessori School (EPMS) for Special Education Services (2024 through 2027), Facilities (2024 through 2027) and Financial Services (2024-25).

The District granted a charter to EPMS on March 28, 2000, pursuant to the terms of the Charter Schools Act of 1992, as amended (Education Code §§ 47600, et seq.) (The "Act"). The Act authorizes the formation of charter schools for the purpose of, among other things, developing new, innovative, and more flexible ways of educating children within the public school system. On April 10, 2019, the Board approved a EPMS's Charter Renewal through June 30, 2024. Although the original term of the EPMS charter ended on June 30, 2024, due to the suspension of State standardized testing during the pandemic, AB 130 added Education Code § 47607.4, which provided that "all charter schools whose term expires on or between January 1, 2022, and June 30, 2025, inclusive, shall have their term extended by two years," and SB 114 subsequently provided that charter schools with terms ending within that window would receive an additional one-year extension. Therefore, the EPMS charter expires on June 30, 2027. Accordingly, EPMS has requested the renewal of the MOUs related to Special Education, Facilities and Financials to run concurrently with the automatic extension of the charter. The District and EPMS have agreed to a three year term for the Special Education and Facilities MOUs, and one year term the Financial MOU in order to assess the fiscal impacts of the funding from an indirect cost rate to 2.5% for administrative services.

15.31 Review and Potential Approval of a Piggyback Contract for Pizza Services for Mt. Diablo Unified School District for the 2024-25 School Year

Tasty Pizza Piggyback Contract & NVUSD and Tasty Indian Pizza's Agreement for RFP 2024-03-13 NVUSD Board Minutes Approving the Award of RFP to Tasty Pizza
NVUSD Proof of Publication

California Public Contract Code § 20118 allows a school district to purchase items without competitive bidding, where another public corporation or entity has a contract to purchase items, known as a "piggyback contract." District staff seeks to piggyback on Napa Valley Unified School District's (NVUSD) Request for Proposal (RFP) #2024-03-13 for Pizza Services. NVUSD conducted a RFP this spring for the pizza services for the same services MDUSD was seeking. MDUSD reviewed this RFP and several others. Staff also solicited the views and opinions of other districts in order to obtain an understanding of the pizza service market in the area. Through this process staff discovered Tasty Indian Pizza, Inc., and their RFP award with NVUSD. Tasty Pizza is a local company based in Fairfield and their pizza is fresh, never frozen. They use locally sourced flour from Capay Mills and local Sonoma tomatoes from Di Napoli. Tasty Pizza's quality and price point make Tasty Pizza the best fit for our pizza service needs. By utilizing this piggyback option, the District is streamlining the procurement process of our own RFP, thereby saving the district time and money of processing our own RFP. District staff asks the Board to make the determination that allowing this piggyback option is in the best interest of the

District. Staff requests the Board approval of for the use of the piggyback agreement with NVUSD and Tasty Indian Pizza, Inc. for Pizza Services not to extend beyond the date of the original agreement, being May 9, 2027, or until such Agreement is no longer in affect between NVUSD and Tasty Pizza.

Recommendation: That the Board finds that utilizing this piggyback option is in the best interest of the District, and moves to approve the use of a piggyback contract for pizza with Tasty Indian Pizza, Inc., based on NVUSD's RPF # 2024-03-13, for the 2024-25 school year.

16.1 (Original 15.3) Review and Potential Approval of Exploring New Horizons Multi School Independent Service Contract with Mt. Diablo Unified School District for Outdoor Education in 2024-2025

Fifteen elementary schools are seeking approval to attend Outdoor Education camps at Exploring New Horizons per the attached schedule. The elementary sites are as follows: Bancroft, El Monte, Hidden Valley, Highlands, Monte Gardens, Mt. Diablo, Mtn. View, Pleasant Hill, Sequoia, Strandwood, Shore Acres, Sun Terrace, Valle Verde, Walnut Acres and Wren. Since student numbers fluctuate, we've added a 15% cushion into the contract to cover additional students. Sites will adjust their numbers before students attend camp to ensure a proper count and pay the required deposits.

Recommendation: Move to approve the Independent Service Contract with Exploring New Horizons and Mt. Diablo Unified School District to provide outdoor education programs to fifteen elementary sites.

Concern expressed by Trustee Mason regarding the issue of fingerprinting of staff at Exploring New Horizon as contract claims no contact with our kids, yet are teaching the students. Hard to believe there would not be a time where students would not be in direct supervisor of district staff. Will vote no because not requiring fingerprinting. MDUSD staff member Samantha Allen led discussion that our staff is on site and supervising students along with parent chaperones, who are also fingerprinted.

Same concern expressed by Trustee Mason where in the past, even though presentations are held in an assembly format, fingerprinting was required. Not consistant policy. 18.6 Review and Potential Approval of the School Plans for Student Achievement (SPSA) for Comprehensive Support & Improvement (CSI) Sites

The School Plan for Student Achievement (SPSA) identifies and addresses the instructional needs of students and specifies how state and federal categorical funds will be used to accomplish the goals outlined in the plan. In addition, the SPSA template includes additional components for our Title 1 Schools with schoolwide programs, as well as our schools in comprehensive support and improvement and targeted support and improvement. The Every Student Succeeds Act (ESSA) requires state educational agencies to determine school eligibility for comprehensive support and improvement (CSI). Local educational agencies (LEAs) with schools that meet the criteria for CSI must collaborate with educational partners to locally develop and implement a plan to improve student outcomes. Cambridge Elementary School, Fair Oaks Elementary School, Rio Vista Elementary School, Riverview Middle School, Mt. Diablo High School, Ygnacio Valley High School, and Olympic High School have met the eligibility for Comprehensive Support and Improvement in the category of Low Performing or Graduation Rate for 2024. The School Site Councils of five of these sites has developed and approved an updated SPSA plan for 2024-25 to address its CSI actions and expenditures. The Mt. Diablo High School and Ygnacio Valley High School SPSAs are being updated, and will be brought for Board approval in the fall. School sites include their allocated Local Control Funding Formula (LCFF) Targeted Supplemental and, optionally, their allocated LCFF Base Funds in their SPSA's. State regulations require that the School Site Council (SSC) be the group responsible for developing and revising the SPSA in collaboration with the site instructional leadership team.

Recommendation: Move to approve the updated 2024-25 School Plans for Student Achievement as presented for the following schools: Cambridge Elementary School, Fair Oaks Elementary School, Rio Vista Elementary School, Riverview Middle School, and Olympic High School.

18.12 Review and Potential Approval of Title I Schoolwide Program Plan for Delta View Elementary School

Based on the December CALPADS data certification, Delta View Elementary School's Free Reduced Meal (FRMP)/Low Income Percentage was 57.19%, meeting both the state minimum requirement of 40% Low Income threshold, and the current year district threshold ranking of at least 50% Low Income, to qualify for Title I Schoolwide Program. Until a school is able to complete all of the requirements to become a SWP, a school receiving Title I, Part A funding for the first time is required to operate a Targeted Assistance School (TAS) program. Whereas Title I targeted assistance programs only provide educational services to identified individual students, schoolwide programs allow staff in schools with high concentrations of students from low-income families to redesign their educational programs to serve all students. During the first year of operation: The school will convene a School Site Council (SSC) to assist in conducting the comprehensive needs assessment, provide recommendations related to the school's Title I program, and participate in the development and approval of the school's SWP Plan (also known as the School Plan for Student Achievement, or SPSA). Once the school and its SSC have developed the SPSA, the local educational agency's (LEA's) local governing board is required to review and approve the plan prior to the school becoming a SWP. The Delta View Elementary School Site Council has convened and developed the attached School Plan for Student Achievement (SPSA) as their SWP, based on a comprehensive needs assessment, educational partner input, and all federal planning requirements of the plan.
