Timothy,

This email will serve as written confirmation that the pricing terms for the media connector and share mike are correct and shall run concurrent with the base items for the duration of this fiscal year as stated in your letter.

I sincerely appreciate the support of the district and am always willing to assist in anyway needed. Let me know if you need or require additional information.
thanks.

Ms. Kyle-Kuhn,

I would like to take the opportunity to thank Lightspeed Technologies. The work we have completed together has allowed the Mt. Diablo to the staff and students of the District.

As we look forward into our next fiscal year I wanted to take a moment to state that the *Unit Rate Requirements* require unit pricing remain unchanged for the upcoming fiscal year will be placed in accordance with the original proposal.

That being stated, per your discussion with Mr. Bert Balba, District wide *Cost/Volume Discount* to include the following items:

\$245.00 each - MCA – Media Connector with cables and power adapter
\$268.00 each - SM – ShareMike handheld microphone with battery pack

Pricing terms for the above items shall run concurrent with baseline pricing. If required, any option year extensions would be made in writing and in accordance with the conditions related to escalation.

All other terms and conditions of the original solicitation and procurement remain in effect.

Please provide confirmation by reply NLT 6/2/16.

If you have any questions, please feel free to contact me at (925) 682-8000 ext. 85612

Sincerely,
