

Independent Contractor Agreement

This Agreement is dated July 1, 2024 and made by and between the Mt. Diablo Unified School District (the "District" or "MDUSD") and Kevin G. Daly, MPT, ITPT (the "Evaluator" or "Contractor"). The District engages Evaluator to complete an Independent Educational Evaluation ("IEE") under the terms and conditions of this Agreement. This Agreement incorporates the Scope of Work Form (Appendix A), W-9 Form (Appendix B) and Criminal Background Check/Tuberculosis Clearance Written Form (Appendix C).

RECITALS

WHEREAS, under the Individuals with Disabilities Education Act ("IDEA") (20 U.S.C.A. §§ 1400 et seq.), parents have a right to request an IEE; and

WHEREAS, parents have voluntarily and on their own accord selected the Evaluator to conduct the IEE, and parents understand and agree that the District makes no representations or warranties about the quality or accuracy of the IEE to parents; and

NOW, THEREFORE, in consideration of the foregoing Recitals, and the mutual understandings, releases, covenants and promises herein described, the Parties agree as follows:

1. **Effective date:** The Agreement shall become effective upon written approval or ratification by the District's Board of Education. This Agreement terminates upon the Evaluator's completion of the IEE and attendance at the Individualized Education Program ("IEP") meeting, unless terminated earlier pursuant to the terms of this Agreement.
2. **Services:** The IEE shall comport with the professional standards applicable to a **Licensed Physical Therapy Service Evaluator**. Evaluator represents that Evaluator has the qualifications and ability to perform the IEE in a professional manner, without the advice, control, or supervision of the District. Evaluator shall be solely responsible for the professional performance of the IEE, and shall receive no assistance, direction, or control from District. Evaluator shall have sole discretion and control of Evaluator's services and the manner in which they are performed. Evaluator shall make all best efforts to complete the IEE within sixty (60) days of the effective date of this Agreement, or as soon thereafter as is reasonably possible, including the completion of all work described in the Scope of Work (Appendix A). If closure of schools or other impediments arise to preclude Evaluator from performing in-person services, Evaluator agrees to perform services remotely. In the alternative, Evaluator agrees that its obligation to perform services and right to receive Compensation for those services will be suspended for the duration of the school closures or interruption to in-person services.
 - a. The IEE shall meet the standards which the IDEA and California Education Code ("EC") establish, as applicable and as amended from time-to-time. The standards for IEEs include:
 - i. No single procedure may be used as the sole criterion for determining whether a student has a disability or determining an appropriate educational program for a student.
 - ii. Tests and assessment materials must be used for the purposes for which they are valid and reliable, and must be administered by trained personnel in conformance with the instructions provided by the producer of such tests.
 - iii. An assessment tool must provide relevant information that directly assists persons in determining the educational needs of the child.
 - iv. A test must be selected and administered to produce results that accurately reflect the pupil's aptitude, achievement level, or any other factors the test purports to measure.

- v. Assessments must be conducted by individuals who are both knowledgeable of the student's disability and competent to perform the assessment, as determined by the school district, county office, or special education local plan area.
 - vi. An assessment must be performed by a duly licensed and credentialed Evaluator, as applicable.
 - vii. Assessments must be administered by trained and knowledgeable personnel and in accordance with any instructions provided by the author of the assessment tools.
 - viii. Tests and assessment materials must be validated for the specific purpose for which they are used; must be selected and administered so as not to be racially, culturally, or sexually discriminatory; and must be provided and administered in the student's primary language or other mode of communication unless this is clearly not feasible.
 - ix. An Evaluator must produce a written report of each assessment that includes whether the student may need special education and related services and the basis for making that determination.
 - x. The Evaluator must use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information to determine whether the child is eligible for special education services.
 - xi. The assessment must use technically sound instruments that assess the relative contribution of cognitive, behavioral, physical, and developmental factors.
 - xii. Assessment materials must be used for purposes for which they are valid and reliable.
 - xiii. Evaluator understands the implication of *Larry P. v. Riles*, 793 F.2d 969 (9th Cir. 1984), and agrees to work collaboratively with the District to address concerns.
- b. This IEE shall determine present levels of abilities and identify the student's educational needs in order to enable the student to receive a free appropriate public education. The IEE shall include at least four in person meetings. These include parent interview, two assessment sessions, special education and general education teacher interviews, and a feedback session. These appointments are one to three hours. The IEE process includes: 1) clinical appointments; 2) record review; 3) contacting collateral sources; 4) test scoring; 5) data analysis; 6) report writing; 7) observation of student in special education and general education settings, prior to direct clinical appointments/testing sessions; and 8) attendance at IEP meeting. The Evaluator shall provide the District with evaluation protocols upon completion of IEE. The IEE shall be provided to the District and the student simultaneously, including any drafts. The Evaluator shall provide the IEE a minimum of one week before the IEP meeting at which the team will be reviewing the IEE.
3. **Compensation:** Compensation to Evaluator shall not exceed \$2,000.00. The Evaluator shall submit an invoice within thirty (30) days of the IEE—the invoice shall state the address to which payment shall be sent, as well as Purchase Order Number. The Evaluator shall be paid within sixty (60) days of when s/he has submitted an invoice. The invoice shall be sent to monaghanf@mdusd.org. The Evaluator may invoice MDUSD (1) when the IEE is provided to the District; and 2) after IEP meeting attendance. Evaluator understands that the compensation outlined herein is subject to the budget and fiscal policies, regulations and practice of the District, and appropriation of funds. The Not to Exceed amount is the maximum amount of compensation due to the Evaluator and not a guarantee of total payment to Evaluator, as Evaluator is paid in arrears for services rendered.
4. **Criminal Background/Tuberculosis:** Evaluator affirms that s/he (1) does not have any felony or misdemeanor convictions involving a crime of moral turpitude; (2) has been screened and cleared by a medical professional for tuberculosis in the last four (4) years. Evaluator agrees that if it is determined that he/she will engage in functions that require unsupervised, frequent or prolonged contact with students, then as applicable/required by California law, s/he will complete Appendix C, Criminal Background check/Tuberculosis.

Independent Contractor Agreement

5. **Independent Contractor:** Evaluator affirms that s/he is not an agent or employee of the District and shall at all times be an independent contractor. Evaluator shall pay, when and as due, any and all local, state and federal income or other taxes incurred as a result of Evaluator's compensation hereunder, including estimated taxes, and shall provide District with proof of said payments upon demand.
6. **Liability of District:** Evaluator understands that the District's obligations are limited to the compensation in paragraph 3 above. The District shall not be liable for any special, consequential, indirect, or incidental damages, including but not limited to lost profits, in connection with this Agreement.
7. **Insurance:** Evaluator certifies that s/he has and will maintain during the performance of this IEE, Professional Liability Insurance in accordance with applicable industry standards. A copy of this insurance must be filed with the District.
 - a. **Professional Liability/Errors & Omissions Liability,** if applicable: \$1,000,000 per occurrence. If the Evaluator maintains higher limits than the minimums shown above, the District requires and shall be entitled to coverage for the higher limits maintained by the Evaluator.
 - b. **Primary Coverage:** For any claims related to this contract, the Evaluator's insurance coverage shall be primary insurance as respects the District, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the District, its officers, officials, employees, or volunteers shall be excess of the Evaluator's insurance and shall not contribute with it. **Notice of Cancellation:** Evaluator shall notify the District if the insurance policy is canceled.
8. **Student Records and Information:** The Evaluator shall comply with all applicable state and federal laws with respect to student records, information and privacy, including but not limited to Family Educational Records Privacy Act and applicable California laws.

10. **Force Majeure:** The parties agree that neither shall be liable to the other under this Agreement as a result of any delay, failure or interruption in services directly caused by an act of God or public enemy; acts of civil or military authorities; catastrophes such as an earthquake, epidemic, pandemic, viral or communicable disease outbreak; quarantines; disruption of supply chains, transportation systems, or national emergency, that is beyond the reasonable control of the Party and which renders impossible the performance of contractual obligations, either totally or in part (a "Force Majeure Event"), excluding in all cases claims of financial hardship, and such nonperformance will be excused and will not be deemed a default hereunder or a ground for termination of the Agreement, provided that as soon as reasonably possible the affected Party (1) provides the other party with notice of such Force Majeure Event, (2) provides detailed documentation establishing that such Force Majeure Event was beyond the Party's reasonable control and not due to any fault or negligence on its part, and (3) works diligently to restore services as soon as reasonably possible. In no event shall any work stoppage, strike or labor dispute at a District or Evaluator site, or by District or Evaluator personnel, constitute a Force Majeure Event under

this Agreement. In no event shall District be liable to Evaluator for payment for services that cannot be and are not provided as a result of a Force Majeure Event.

11. Additional Material Terms:

- a. Evaluator agrees that all plans, reports, specifications, drawings, schematics, prototypes, models, inventions and all other information and items made during the course of this Agreement and arising from the Services shall be owned by and assigned to District as its sole and exclusive property.
