Dear Ms. Ramos:

This letter confirms the arrangements for Crowe LLP ("Crowe" or "us" or "we" or "our") to provide the professional services discussed in this letter to Mount Diablo Unified School District ("the District" or "you", "your" or "Client") as of and for the year ended June 30, 2019. The attached Crowe Engagement Terms is an integral part of this letter, and its terms are incorporated herein.

PERFORMANCE AUDIT SERVICES

Our Responsibilities

We will conduct a performance audit on the District's projects identified on the detailed list of expenditures charged against funds received pursuant to the Leroy F. Green School Facilities Act of 1998. The objectives of our Performance Audit are identified in the 2018-19 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting Appendix B: School Facility Program Bond Fund Audits.

The objective of a performance audit is to provide reasonable assurance or conclusions based on an evaluation of sufficient, appropriate evidence against stated criteria, such as specific requirements, measures, or defined business practices. Performance audits provide objective analysis so that management and those charged with governance and oversight can use the information to improve program performance and operations, reduce costs, facilitate decision making by parties with responsibility to oversee or initiate corrective action, and contribute to public accountability. We will plan and perform the performance audit in accordance with performance audit standards contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. Because of inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or material non-compliance may not be detected exists, even though the audit is properly planned and performed in accordance with applicable standards. An audit is not designed to detect error or fraud that is immaterial to the performance audit objectives.

In making our risk assessments, we consider internal control that is significant within the context of the audit objectives in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the District's internal control and we will not provide such an opinion. However, we will communicate in writing to those charged with governance and management concerning any significant deficiencies or material weaknesses in internal control significant within the context of the audit objectives that we have identified during the audit. Our engagement is not designed to address legal or regulatory matters, which matters should be discussed by you with your legal counsel.

Ms. Rose Ramos

Our audit and work product are intended for the benefit and use of the District only. The audit will not be planned or conducted in contemplation of reliance by any other party or with respect to any specific transaction and is not intended to benefit or influence any other party. Therefore, items of possible interest to a third party may not be specifically addressed or matters may exist that could be assessed differently by a third party.

The working papers for this engagement are the property of Crowe and constitute confidential information. However, we may be requested to make certain working papers available to your oversight agency or grantors pursuant to authority given to them by law, regulation, or contract. If requested, access to such working papers will be provided under the supervision of our personnel. Furthermore, upon request, we may provide photocopies of selected working papers to your oversight agency or grantors. The working papers for this engagement will be retained for a minimum of three years after the date our report is issued or for any additional period requested by the oversight agency or pass-through entity. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party contesting the audit finding for guidance prior to destroying the working papers.

Government Auditing Standards require that we provide you with a copy of our most recent peer review report, which accompanies this letter.

The District's Responsibilities

The District's management is responsible for the preparation and fair presentation of the Final Form SAB 50-06 Expenditure Report and Detailed Listing of Project Expenditures (DLOPE), Schedule of School Facility Program – Determination of Savings (If Applicable), Schedule of School Facility Program – Unspent Funds (If Applicable), Schedule of School Facility Program – Use of Savings (If Applicable), and all supporting schedules related to the project. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud. The District's management is also responsible for complying with applicable laws, regulations, contracts and grants and such responsibility extends to identifying the requirements and designing internal control policies and procedures to provide reasonable assurance that compliance is achieved.

Management has the responsibility to adopt sound accounting policies, maintain an adequate and efficient accounting system, safeguard assets, and design and implement programs and controls to prevent and detect fraud. Management's judgments are typically based on its knowledge and experience about past and current events and its expected courses of action. Management's responsibility for financial reporting includes establishing a process to prepare the accounting estimates included in the financial statements.

Management is responsible for providing to us, on a timely basis, all information the 2018-19 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting Appendix B: School Facility Program Bond Fund Audits requires of which management is aware that is relevant to the performance audit. Management is also responsible for providing such other additional information we may request for the purpose of the audit, and unrestricted access to persons within the District from whom we determine it necessary to obtain audit evidence. Additionally, those charged with governance are responsible for informing us of their views about the risks of fraud within the District, and their knowledge of any fraud or suspected fraud affecting the District.

Management acknowledges the importance of management's representations and responses to our inquiries, and that they will be utilized as part of the evidential matter we will rely on in forming our opinion. Because of the importance of management's representations to an effective audit, you agree to release Crowe and its personnel from any liability and costs relating to our services under this letter attributable to any misrepresentations by management.

FEES

Our fees, including out-of-pocket expenses. Our invoices are due and payable upon receipt. If any amounts invoiced remain unpaid 30 days after the invoice date, you agree that Crowe may, in its sole discretion, cease work until all such amounts are paid or terminate this engagement.

Performance Audit for the year ending June 30, 2019 \$6,000 - \$8,000 per completed project

Circumstances may arise under which we must perform additional work and, thus, require additional billings for our services. Examples of such circumstances include, but are not limited to:

- Changing audit requirements
- New professional standards or regulatory requirements
- New financial statement disclosures
- Work caused due to the identification of, and management's correction of, inappropriate application of accounting pronouncements
- Erroneous or incomplete accounting records
- New or unusual transactions
- Change in your organizational structure or size due to merger and acquisition activity or other events
- Change in your controls
- Agreed-upon level of preparation and assistance from your personnel not provided
- Failure of your staff to prepare information in a timely manner
- Numerous revisions to your information
- Lack of availability of appropriate District personnel during audit fieldwork.

Additionally, to accommodate requests to reschedule audit fieldwork without reasonable notice, additional billings for our services could be required, and our assigned staffing and ability to meet agreed-upon deadlines could be impacted.

Our fee assumes that we will be provided with auditable expenditure reports at year end. We assume that the District will cooperate with our requests for information such as explanations of account activity.

Our fee does not include implementation of any other future accounting or auditing pronouncements and/or government requirements that may change, thus, the scope or amount of auditing necessary to complete our engagements may increase beyond what is currently anticipated. Should such events occur, we would present you with our estimate of any possible increase prior to beginning our audit for the given year. An equitable adjustment in the proposed fee will be negotiated if the cost of time required for performance of the audit service is increased or decreased pursuant to a change in scope of the audit requested by the District or required by State or Federal regulations.

When we become aware of circumstances which impact the amount or scheduling of our work, we will issue, for your approval, a formal change order detailing the reason and the anticipated impact of the change.

MISCELLANEOUS

For purposes of this Miscellaneous section, the Acceptance section below, and all of the Crowe Engagement Terms, "Client" will mean the entity defined in the first paragraph of this letter and will also include all related parents, subsidiaries, and affiliates of Client who may receive or claim reliance upon any Crowe deliverable.

Crowe will provide the services to Client under this Agreement as an independent contractor and not as Client's partner, agent, employee, or joint venturer under this Agreement. Neither Crowe nor Client will have any right, power or authority to bind the other party.

This engagement letter agreement (the "Agreement") reflects the entire agreement between the parties relating to the services (or any reports, deliverables or other work product) covered by this Agreement. The engagement letter and any attachments (including without limitation the attached Crowe Engagement Terms) are to be construed as a single document, with the provisions of each section applicable throughout. This Agreement may not be amended or varied except by a written document signed by each party. It replaces and supersedes any other proposals, correspondence, agreements and understandings, whether written or oral, relating to the services covered by this letter, and each party agrees that in entering this Agreement, it has not relied on any oral or written representations, statements or other information not contained in or incorporated into this Agreement. Any non-disclosure or other confidentiality agreement is replaced and superseded by this Agreement. Each party shall remain obligated to the other party under all provisions of this Agreement that expressly or by their nature extend beyond and survive the expiration or termination of this Agreement. If any provision (in whole or in part) of this Agreement is found unenforceable or invalid, this will not affect the remainder of the provision or any other provisions in this Agreement, all of which will continue in effect as if the stricken portion had not been included. This Agreement may be executed in two or more actual, scanned, emailed, or electronically copied counterparts, each and all of which together are one and the same instrument. Accurate transmitted copies (transmitted copies are reproduced documents that are sent via mail, delivery, scanning, email, photocopy, facsimile or other process) of the executed Agreement or signature pages only (whether handwritten or electronic signature), will be considered and accepted by each party as documents equivalent to original documents and will be deemed valid, binding and enforceable by and against all parties. This Agreement must be construed, governed, and interpreted under the laws of the State of California, without regard for choice of law principles.

Crowe Engagement Terms

Crowe wants Client to understand the terms under which Crowe provides its services to Client and the basis under which Crowe determines its fees. These terms are part of the Agreement and apply to all services described in the Agreement as well as all other services provided to Client (collectively, the "Services"), unless and until a separate written agreement is executed by the parties for separate services. Any advice provided by Crowe is not intended to be, and is not, investment advice.

CLIENT'S ASSISTANCE – For Crowe to provide Services effectively and efficiently, Client agrees to provide Crowe timely with information requested and to make available to Crowe any personnel, systems, premises, records, or other information as reasonably requested by Crowe to perform the Services. Access to such personnel and information are key elements for Crowe's successful completion of Services and determination of fees. If for any reason this does not occur, a revised fee to reflect additional time or resources required by Crowe will be mutually agreed. Client agrees Crowe will have no responsibility for any delays related to a delay in providing such information to Crowe. Such information will be accurate and complete, and Client will inform Crowe of all significant tax, accounting and financial reporting matters of which Client is aware.

PROFESSIONAL STANDARDS – As a regulated professional services firm, Crowe must follow professional standards when applicable, including the Code of Professional Conduct of the American Institute of Certified Public Accountants ("AICPA"). Thus, if circumstances arise that, in Crowe's professional judgment, prevent it from completing the engagement, Crowe retains the right to take any course of action permitted by professional standards, including declining to express an opinion or issue other work product or terminating the engagement.

REPORTS – Any information, advice, recommendations or other content of any memoranda, reports, deliverables, work product, presentations, or other communications Crowe provides under this Agreement ("Reports"), other than Client's original information, are for Client's internal use only, consistent with the purpose of the Services. Client will not rely on any draft Report. Unless required by an audit or other attestation professional standard, Crowe will not be required to update any final Report for circumstances of which we become aware or events occurring after delivery.

CONFIDENTIALITY – Except as otherwise permitted by this Agreement or as agreed in writing, neither Crowe nor Client may disclose to third parties the contents of this Agreement or any information provided by or on behalf of the other that ought reasonably to be treated as confidential and/or proprietary. Client use of any Crowe work product will be limited to its stated purpose and to Client business use only. However, Client and Crowe each agree that either party may disclose such information to the extent that it: (i) is or becomes public other than through a breach of this Agreement, (ii) is subsequently received by the recipient from a third party who, to the recipient's knowledge, owes no obligation of confidentiality to the disclosing party with respect to that information, (iii) was known to the recipient at the time of disclosure or is thereafter created independently, (iv) is disclosed as necessary to enforce the recipient's rights under this Agreement, or (v) must be disclosed under applicable law, regulations, legal process or professional standards.

THIRD PARTY PROVIDER – Crowe may use a third-party provider in providing Services to Client, which may require Crowe to share Client confidential information with the provider. If Crowe uses a third-party provider, Crowe will enter into a confidentiality agreement with the provider to require the provider to protect the confidentiality of Client's confidential information, and Crowe will be responsible to Client for maintaining its confidentiality. The limitations on Client's remedies, vis-à-vis Crowe, in this Agreement will also apply to any subcontractors.

CLIENT-REQUIRED CLOUD USAGE – If Client requests that Crowe access files, documents or other information in a cloud-based or web-accessed hosting service or other third-party system accessed via the internet, including, without limitation iCloud, Dropbox, Google Docs, Google Drive, a data room hosted by a third-party, or a similar service or website (collectively, "Cloud Storage"), Client will confirm with any third-parties assisting with or hosting the Cloud Storage that either such third-party or Client (and not Crowe) is responsible for complying with all applicable laws relating to the Cloud Storage and any information contained in the Cloud Storage, providing Crowe access to the information in the Cloud

Storage, and protecting the information in the Cloud Storage from any unauthorized access, including without limitation unauthorized access to the information when in transit to or from the Cloud Storage. Client represents that it has authority to provide Crowe access to information in the Cloud Storage and that providing Crowe with such access complies with all applicable laws, regulations, and duties owed to third-parties.

DATA PROTECTION – If Crowe holds or uses Client information that can be linked to specific individuals who are Client’s customers (“Personal Data”), Crowe will treat it as confidential as described above and comply with applicable US state and federal law and professional regulations (including, for financial institution clients, the objectives of the Interagency Guidelines Establishing Information Security Standards) in disclosing or using such information to carry out the Services. Crowe has implemented and will maintain physical, electronic and procedural safeguards reasonably designed to (i) protect the security, confidentiality and integrity of the Personal Data, (ii) prevent unauthorized access to or use of the Personal Data, and (iii) provide proper disposal of the Personal Data (collectively, the “Safeguards”). Client warrants (i) that it has the authority to provide the Personal Data to Crowe in connection with the Services, (ii) that Client has processed and provided the Personal Data to Crowe in accordance with applicable law, and (iii) will limit the Personal Data provided to Crowe to Personal Data necessary to perform the Services. To provide the Services, Client may also need to provide Crowe with access to Personal Data consisting of protected health information, financial account numbers, Social Security or other government-issued identification numbers, or other data that, if disclosed without authorization, would trigger notification requirements under applicable law (“Restricted Personal Data”). In the event Client provides Crowe access to Restricted Personal Data, Client will consult with Crowe on appropriate measures (consistent with legal requirements and professional standards applicable to Crowe) to protect the Restricted Personal Data, such as: deleting or masking unnecessary information before making it available to Crowe, using encryption when transferring it to Crowe, or providing it to Crowe only during on-site review on Client’s site. Client will provide Crowe with Restricted Personal Data only in accordance with mutually agreed protective measures. Otherwise, Client and Crowe agree each may use unencrypted electronic media to correspond or transmit information and such use will not in itself constitute a breach of any confidentiality obligations under this Agreement.

GENERAL DATA PROTECTION REGULATION COMPLIANCE – If and to the extent that Client provides personal data to Crowe subject to the European Union General Data Protection Regulation (“GDPR”), then in addition to the requirements of the above Data Protection section, this section will apply to such personal data (“EU Personal Data”). The parties agree that for purposes of processing the EU Personal Data, (a) Client will be the “Data Controller” as defined by the GDPR, meaning the organization that determines the purposes and means of processing the EU Personal Data; (b) Crowe will be the “Data Processor” as defined by GDPR, meaning the organization that processes the EU Personal Data on behalf of and under the instructions of the Data Controller; or (c) the parties will be classified as otherwise designated by a supervisory authority with jurisdiction. Client and Crowe each agree to comply with the GDPR requirements applicable to its respective role. Crowe has implemented and will maintain technical and organizational security safeguards reasonably designed to protect the security, confidentiality and integrity of the EU Personal Data. Client represents it has secured all required rights and authority, including consents and notices, to provide such EU Personal Data to Crowe, including without limitation authority to transfer such EU Personal Data to the U.S. or other applicable Country or otherwise make the EU Personal Data available to Crowe, for the duration of and purpose of Crowe providing the Services. The Districts of EU Personal Data to be processed include name, contact information, title, and other EU Personal Data that is transferred to Crowe in connection with the Services. The EU Personal Data relates to the data subject categories of individuals connected to Client, Client customers, Client vendors, and Client affiliates or subsidiaries (“Data Subjects”). Crowe will process the EU Personal Data for the following purpose: (x) to provide the Services in accordance with this Agreement, (y) to comply with other documented reasonable instructions provided by Client, and (z) to comply with applicable law. In the event of a Crowe breach incident in connection with EU Personal Data in the custody or control of Crowe, Crowe will promptly notify Client upon knowledge that a breach incident has occurred. Client has instructed Crowe not to contact any Data Subjects directly, unless required by applicable law. In the event that a supervisory authority with jurisdiction makes the determination that Crowe is a data controller, Client will reasonably cooperate with Crowe to enable Crowe to comply with its obligations under GDPR. Crowe will reasonably cooperate with Client in responding to or addressing any request from a data subject, a supervisory authority with jurisdiction, or the Client, to the extent necessary to enable Client to

comply with its obligations under GDPR as the Data Controller. Client will promptly reimburse Crowe for any out-of-pocket expenses and professional time at Crowe's then-current hourly rates. Client will provide prompt written notice to Crowe (with sufficient detailed instructions) of any data subject request or other act that is required to be performed by Crowe as the Data Processor on behalf of Client as the Data Controller. Crowe shall promptly delete or procure the deletion of any EU Personal Data after the cessation of any Services involving the processing of Client's EU Personal Data. Notwithstanding the foregoing, Crowe may retain a copy of the EU Personal Data as permitted by applicable law or professional standards, provided that such EU Personal Data remain subject to the terms of this Agreement.

INTELLECTUAL PROPERTY – Crowe may use ideas, concepts, methodologies, data, software, designs, utilities, tools, models, techniques, systems, Reports, or other know-how that it develops, owns or licenses ("Materials") in performing the Services. Crowe retains all intellectual property rights in the Materials (including any improvements or knowledge developed while performing the Services), and in any working papers compiled in providing the Services, but not in the Client information reflected in them. Upon payment for Services and subject to the other terms of this Agreement, Client will use Reports, as well as any Materials therein, only to the extent necessary and permitted under this Agreement.

AGGREGATED DATA – Client hereby acknowledges and agrees that Crowe may aggregate Client content and data with content and data from other clients ("Data Aggregations") for purposes including, without limitation, product and service development, commercialization, industry benchmarking, or quality improvement initiatives. Crowe will scrub Client content and data so that Client sensitive information is not disclosed and so that all data is anonymized. All Data Aggregations will be the sole and exclusive property of Crowe.

LEGAL AND REGULATORY CHANGE – Crowe may periodically communicate to Client changes in laws, rules or regulations. However, Client has not engaged Crowe, and Crowe does not undertake an obligation, to advise Client of changes in (a) laws, rules, regulations, industry or market conditions, or (b) Client's own business practices or other circumstances (except to the extent required by professional standards). The scope of Services and the fees for Services are based on current laws and regulations. If changes in laws or regulations change Client's requirements or the scope of the Services, Crowe's fees will be modified to a mutually agreed amount to reflect the changed level of Crowe's effort.

PUBLICATION – Client agrees to obtain Crowe's specific permission before using any Report or Crowe work product or Crowe's firm's name in a published document, and Client agrees to submit to Crowe copies of such documents to obtain Crowe's permission before they are filed or published.

CLIENT REFERENCE – From time to time Crowe is requested by prospective clients to provide references for Crowe service offerings. Client agrees that Crowe may use Client's name and generally describe the nature of Crowe's engagement(s) with Client in marketing to prospects, and Crowe may also provide prospects with contact information for Client personnel familiar with Crowe's Services.

NO PUNITIVE OR CONSEQUENTIAL DAMAGES – Any liability of Crowe will not include any consequential, special, incidental, indirect, punitive, or exemplary damages or loss, nor any lost profits, goodwill, savings, or business opportunity, even if Crowe had reason to know of the possibility of such damages.

LIMIT OF LIABILITY – Except where it is judicially determined that Crowe performed its Services with gross negligence or willful misconduct, Crowe's liability will not exceed fees paid by Client to Crowe for the portion of the work giving rise to liability. A claim for a return of fees paid is the exclusive remedy for any damages. This limit of liability will apply to the full extent allowed by law, regardless of the grounds or nature of any claim asserted, including, without limitation, to claims based on principles of contract, negligence or other tort, fiduciary duty, warranty, indemnity, statute or common law. This limit of liability will also apply after this Agreement.

INDEMNIFICATION FOR THIRD-PARTY CLAIMS – In the event of a legal proceeding or other claim brought against Crowe by a third party, except where it is judicially determined that Crowe performed Services with gross negligence or willful misconduct, Client agrees to indemnify and hold harmless Crowe

and its personnel against all costs, fees, expenses, damages and liabilities, including attorney fees and any other fees or defense costs, associated with such third-party claim, relating to or arising from any Services performed or work product provided by Crowe that Client uses or discloses to others or this engagement generally. This indemnification is intended to apply to the full extent allowed by law, regardless of the grounds or nature of any claim, liability, or damages asserted, including, without limitation, to claims, liability or damages based on principles of contract, negligence or other tort, fiduciary duty, warranty, indemnity, statute or common law. This indemnification will also apply after termination of this Agreement.

NO TRANSFER OR ASSIGNMENT OF CLAIMS – No claim against Crowe, or any recovery from or against Crowe, may be sold, assigned or otherwise transferred, in whole or in part.

TIME LIMIT ON CLAIMS – In no event will any action against Crowe, arising from or relating to this engagement letter or the Services provided by Crowe relating to this engagement, be brought after the earlier of 1) two (2) years after the date on which occurred the act or omission alleged to have been the cause of the injury alleged; or 2) the expiration of the applicable statute of limitations or repose.

RESPONSE TO LEGAL PROCESS – If Crowe is requested by subpoena, request for information, or through some other legal process to produce documents or testimony pertaining to Client or Crowe's Services, and Crowe is not named as a party in the applicable proceeding, then Client will reimburse Crowe for its professional time, plus out-of-pocket expenses, as well as reasonable attorney fees, Crowe incurs in responding to such request.

MEDIATION – If a dispute arises, in whole or in part, out of or related to this engagement, or after the date of this agreement, between Client or any of Client's affiliates or principals and Crowe, and if the dispute cannot be settled through negotiation, Client and Crowe agree first to try, in good faith, to settle the dispute by mediation administered by the American Arbitration Association, under its mediation rules for professional accounting and related services disputes, before resorting to litigation or any other dispute-resolution procedure. The results of mediation will be binding only upon agreement of each party to be bound. Costs of any mediation will be shared equally by both parties. Any mediation will be held in Sacramento, California.

JURY TRIAL WAIVER – FOR ALL DISPUTES RELATING TO OR ARISING BETWEEN THE PARTIES, THE PARTIES AGREE TO WAIVE A TRIAL BY JURY TO FACILITATE JUDICIAL RESOLUTION AND TO SAVE TIME AND EXPENSE. EACH PARTY AGREES IT HAS HAD THE OPPORTUNITY TO HAVE ITS LEGAL COUNSEL REVIEW THIS WAIVER. THIS WAIVER IS IRREVOCABLE, MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND APPLIES TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, OR MODIFICATIONS TO THIS AGREEMENT. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS WRITTEN CONSENT TO A BENCH TRIAL WITHOUT A JURY. HOWEVER, AND NOTWITHSTANDING THE FOREGOING, IF ANY COURT RULES OR FINDS THIS JURY TRIAL WAIVER TO BE UNENFORCEABLE AND INEFFECTIVE IN WAIVING A JURY, THEN ANY DISPUTE RELATING TO OR ARISING FROM THIS ENGAGEMENT OR THE PARTIES' RELATIONSHIP GENERALLY WILL BE RESOLVED BY ARBITRATION AS SET FORTH IN THE PARAGRAPH BELOW REGARDING "ARBITRATION."

ARBITRATION – If any court rules or finds that the JURY TRIAL WAIVER section is not enforceable, then any dispute between the parties relating to or arising from this Agreement or the parties' relationship generally will be settled by binding arbitration in Sacramento, California (or a location agreed in writing by the parties). Any issues concerning the extent to which any dispute is subject to arbitration, or concerning the applicability, interpretation, or enforceability of any of this Section, will be governed by the Federal Arbitration Act and resolved by the arbitrator(s). The arbitration will be governed by the Federal Arbitration Act and resolved by the arbitrator(s). Regardless of the amount in controversy, the arbitration will be administered by JAMS, Inc. ("JAMS"), pursuant to its Streamlined Arbitration Rules & Procedures or such other rules or procedures as the parties may agree in writing. In the event of a conflict between those rules and this Agreement, this Agreement will control. The parties may alter each of these rules by written agreement. If a party has a basis for injunctive relief, this paragraph will not preclude a party seeking and obtaining injunctive relief in a court of proper jurisdiction. The parties will agree within a reasonable period of time after notice is made of initiating the arbitration process whether to use one or three arbitrators, and

if the parties cannot agree within fifteen (15) business days, the parties will use a single arbitrator. In any event the arbitrator(s) must be retired federal judges or attorneys with at least 15 years commercial law experience and no arbitrator may be appointed unless he or she has agreed to these procedures. If the parties cannot agree upon arbitrator(s) within an additional fifteen (15) business days, the arbitrator(s) will be selected by JAMS. Discovery will be permitted only as authorized by the arbitrator(s), and as a rule, the arbitrator(s) will not permit discovery except upon a showing of substantial need by a party. To the extent the arbitrator(s) permit discovery as to liability, the arbitrator(s) will also permit discovery as to causation, reliance, and damages. The arbitrator(s) will not permit a party to take more than six depositions, and no depositions may exceed five hours. The arbitrator(s) will have no power to make an award inconsistent with this Agreement. The arbitrator(s) will rule on a summary basis where possible, including without limitation on a motion to dismiss basis or on a summary judgment basis. The arbitrator(s) may enter such prehearing orders as may be appropriate to ensure a fair hearing. The hearing will be held within one year of the initiation of arbitration, or less, and the hearing must be held on continuous business days until concluded. The hearing must be concluded within ten (10) business days absent written agreement by the parties to the contrary. The time limits in this section are not jurisdictional. The arbitrator(s) will apply substantive law and may award injunctive relief or any other remedy available from a judge. The arbitrator(s) may award attorney fees and costs to the prevailing party, and in the event of a split or partial award, the arbitrator(s) may award costs or attorney fees in an equitable manner. Any award by the arbitrator(s) will be accompanied by a reasoned opinion describing the basis of the award. Any prior agreement regarding arbitration entered by the parties is replaced and superseded by this agreement. The arbitration will be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1 et seq., and judgment upon the award rendered by the arbitrator(s) may be entered by any court having jurisdiction thereof. All aspects of the arbitration will be treated by the parties and the arbitrator(s) as confidential.

NOTIFICATION OF NON-LICENSEE OWNERSHIP – Crowe (“the Firm”) and certain owners of the Firm are licensed by the California State Board of Accountancy. However, the Firm has owners not licensed by the California State Board of Accountancy who may provide Services under this agreement. If Client has any questions regarding licensure of the personnel performing Services under this engagement, please do not hesitate to contact Crowe.

NON-SOLICITATION – Each party acknowledges that it has invested substantially in recruiting, training and developing the personnel who render services with respect to the material aspects of the engagement (“Key Personnel”). The parties acknowledge that Key Personnel have knowledge of trade secrets or confidential information of their employers that may be of substantial benefit to the other party. The parties acknowledge that each business would be materially harmed if the other party was able to directly employ Key Personnel. Therefore, the parties agree that during the period of this Agreement and for one (1) year after its expiration or termination, neither party will solicit Key Personnel of the other party for employment or hire the Key Personnel of the other party without that party’s written consent unless hiring or engaging party pays to the other party a fee equal to the hired or engaged Key Personnel’s compensation for the prior twelve-month period with the other party.
