

## MEMORANDUM OF UNDERSTANDING

The Food Bank of Contra Costa and Solano is continuing a collaboration with the Mt. Diablo Unified School District (MDUSD) in order to expand children's access to fresh produce in the community of Concord, Pleasant Hill, and Bay Point.

The Food Bank proposes to deliver fresh produce each week to Fair Oaks in Pleasant Hill, Cambridge Elementary, Oak Grove Middle, Ygnacio Valley Elementary, and Meadow Homes Elementary in Concord. The Food Bank will also deliver to Delta View Elementary, Shore Acres Elementary, Rio Vista Elementary, Riverview Middle, and Bel Air Elementary in Bay Point. The Food Bank proposes to allow for pick up each week for Sun Terrace Elementary, Wren Ave Elementary, El Dorado Middle, and El Monte Elementary in Concord.

Staff from the C.A.R.E.S After School Program will oversee the bagging and distribution of the produce. Produce may be used as snacks or for cooking classes with the balance being sent home with children at the end of the day.

This program will follow the Mt. Diablo C.A.R.E.S. calendar. The Food Bank will make every effort to provide a continual supply of produce; however, in the event that surplus crops are not available, the Food Bank will notify MDUSD that there will be no delivery. The Food Bank also agrees to consult with MDUSD with regard to the suitability of some produce items.

MDUSD agrees to provide plastic bags for this project. MDUSD also agrees to provide demographic and service statistics to the Food Bank.
