

PROPOSED JOB DESCRIPTION FOR SEA IV, BEHAVIOR ASSISTANT

Class Title: Special Education Assistant, 4, Behavior Assistant

JOB DESCRIPTION:

Basic Function:

The Behavioral SEA will work as an itinerant assistant that will be assigned to an Education Consultant & Behavior Management Specialist to work in a classroom or with a student for a maximum of ten (10) weeks. At the end of ten (10) weeks, an IEP will be held to determine if more time is needed or if the Behavioral SEA can transition to another student. All Behavioral SEAs will have a performance based "Fade Plan" designed to alert the team when the student's behavior as resolved as another method to indicate when the services are no longer needed.)

Under the guidance and direction of the Behaviorist Program Manager and the Department's Board Certified Behavior Analysts (Education Consultants & Behavior Management Specialists) the proposed Behavior Assistant will assist in meeting the special behavioral needs of students by implementing behavior plans, advising, and modeling researched based behavioral techniques. Currently, using this approach will help to stabilize children in crisis and prevent Special Education placement by maintaining children in the Least Restrictive Environment.

REPRESENTATIVE DUTIES:

Incumbents may perform any combination of the essential functions shown below. Duties may vary from site to site. The position description is not intended to be an exhaustive list of all duties, knowledge or abilities associated with this classification, but are intended to accurately reflect the principal job elements.
