FNS Mission and Vision

MISSION What we do everyday

Everyday, we nourish students for academic success.

VISION Our North Star; where we want to be in the next 10-15 years

Food and Nutrition Services is an industry leader with a thriving and positive team that serves our students delicious, diverse, scratch cooked, locally sourced meals in modern and efficient facilities, while embodying the values of equity, sustainability, collaboration, and innovation.

FNS Core Values

→ Our non-negotiables that must be honored in pursuit of our Vision

- ★ Great Food
 - Scratch cooking
 - Local, sustainable procurement
- **★** World Class Student Experience
 - Excellent food presentation
 - Modernized, dignified facilities
- ★ Fiscal Responsibility and Sustainability
 - Waste reduction

- **★** Positive Team Culture
 - Professional, collaborative, and supportive teams
 - Robust staff training
 - Growth mindset
- **★** Diversity, Equity, and Inclusion
 - Universal meals
 - Cultural responsiveness and relevance

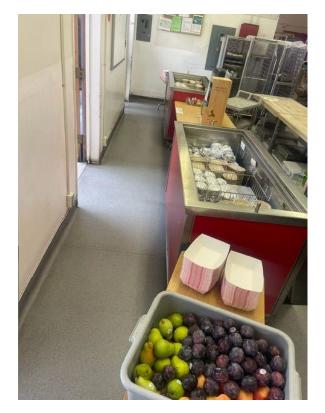

FNS Goals: How We Will Achieve Our Vision

- 1. <u>Transform facilities</u> at all schools and the Central Kitchen to have modernized and efficient equipment that allows scratch cooking to scale and creates dignified built environments for students and staff.
- 2. <u>Increase scratch cooking</u> at all sites by investing in facilities and staff and leveraging the Central Kitchen to prepare and distribute fresh ingredients.
- 3. <u>Invest in our team</u> by (1) increasing full time benefited positions; (2) increasing hiring, especially of historically disadvantaged groups; and (3) creating a robust staff training program and career growth opportunities for all employees.
- 4. **Invest in the local economy** by doubling our procurement of foods from local, BIPOC owned, and small/medium family businesses and farms.
- 5. **Reduce waste** and improve the student experience by implementing compostable packaging and utensils and reducing packaging wherever possible
