

As outlined in Procedure 905 (Documenting Salaries and Wages) in the CSAM (California School Accounting Manual), we are required to document the salaries and wages charged to categorical programs.

With the reorganization of Curriculum & Instruction into Student Achievement and School Support effective July 1, 2010, the following changes to funding need to be made to align the categorical funding with the positions performing the work related to those programs.

The overall amount of FTE (Full-Time Equivalent) is not changing.
