2024 CAASPP Performance

10/21/24

California Assessment of Student Performance and Progress (CAASPP)

Overview

CAASPP shows how well students are meeting grade-level standards in the Smarter Balanced Summative Assessments (SBAC) in English language arts/literacy (ELA) and mathematics and in the California Science Test.

SBAC ELA & Math

All students in grades 3–8 and grade 11 take the Smarter Balanced Summative Assessments (SBAC).

- English learners who have been enrolled in a school in the United States less than 12 months (ELA only).
- Students enrolled in or assigned to grades 3–8 and grade 11 whose IEP team designates the use of the California Alternate Assessments (CAAs) for ELA and mathematics.

CAST Science

All students in grades five, eight, and once in high school will participate in the California Science Test.

LCAP Goal Alignment

Goal 1

All students will receive a high quality education in a safe and welcoming environment with equitable high expectations, access to technology, and instruction in the California State Standards that prepare them for college and career.

Goal 2

High quality, culturally proficient, and responsive staff will create a safe, supportive, and engaging learning environment respectful of all students' backgrounds to ensure they are college and career ready.

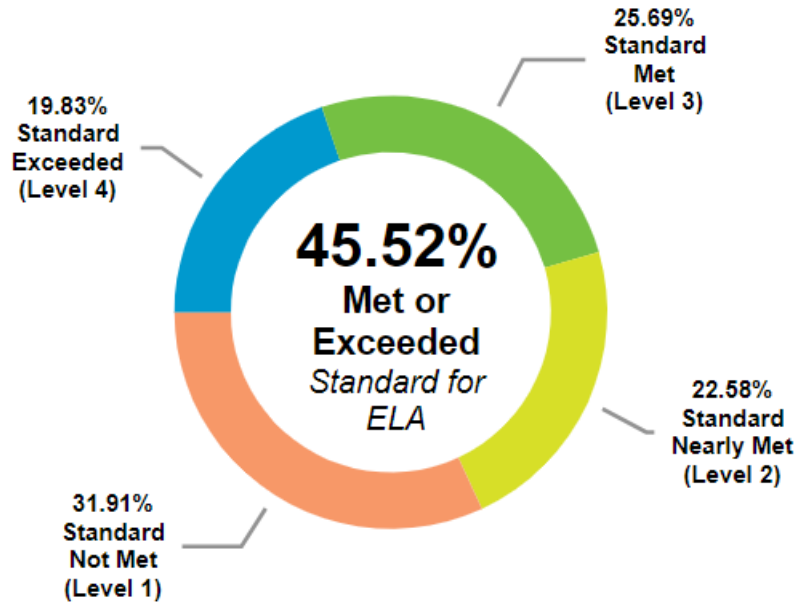

Goal 4

Focal scholars, specifically Black/African American students, Foster Youth, McKinney-Vento (students experiencing homelessness), Students with Disabilities and Multilingual students, will experience culturally responsive practices and instruction, high expectations, equal access to educational opportunities, within an educational environment that builds trust and inclusive partnerships between the students, parents/guardians, and staff.
