Summary of Experience

I am a retired maintenance electrician from the City of Concord, retiring after working there for 39 years. I have been involved in the School District bond measures for several years. I was on the Mt. Diablo School District Measure A Committee for four years and was the chairman the last year I was on the committee. I was on the 2002 Measure C Committee until I termed out. I am currently on the 2010 Measure C Committee.

I also volunteer at the Concord Historical Society as the general contractor restoring the historic Galindo House as well as the old Masonic Temple, and am currently working on the construction of a 5,000 foot addition to the Masonic Temple.

I have been involved in construction all my life and extensively involved in the Mt. Diablo School District bond measures. I would like to continue my involvement on the Measure J Committee.

I hope you will consider my application to the Measure J Committee.
