

The award was determined based on the following criteria:

Part 1:	Evaluation Criteria	Maximum Points
	Small business and minority, woman, and disabled veteran business enterprise	5
	Customer service and references	25
	Experience and competence	20
	Sustainability	20

Athens Baking Company was determined to be nonresponsive in their proposal as they only wanted to provide services for four school districts in the Collaborative, not all twenty district members.

The following scores were received on Part 1 by the proposing companies:

Bidder	Part 1 Score
The Danielsen Company	55.3
Gold Star Foods	55.8
Hayes Distributing	55.8
P&R Paper Supply Co.	62.5
The Platinum Packaging Group	58.3
Pressed Paper Board Technologies	56.1
Sysco San Francisco	48.2

Vendors receiving 52.5 points or more on the above rubric forwarded to Part 2.

Part 2:	Evaluation Criteria
	Price

As Sysco San Francisco did not receive 52.5 points or more, their pricing was not considered in the final award. The remaining vendors pricing was evaluated, and the Administration recommends awarding items in the various categories based on the dollar value outlined below.
