Nuestro Porque ~ Our Why

Our mission is to engage with parents, especially our Latino/a/x parents. We strive to ensure our Latino/a/x parents know they are welcome and vital partners with MDUSD in their children's educational journey. We focus on the greatness, strengths and gifts that our students and families come to us with. It is a reciprocal connection, we are all learning from each other. This is how we as a consejera collective intentionally disrupt systemic racism in our education system.

“Action is the antidote to despair.” – Joan Baez
