The contract installation rates and sundry item prices contained in this agreement are guaranteed through InterfaceSERVICES, our in-house turn-key project management group.

****Local dealers that support the Interface brand are authorized to utilize these contract approved labor rates as a guide. Local dealer quotes including labor will be considered contract labor if these rates are utilized. Local dealer installation rates and sundry items may vary outside of these contract proposed rates, and would then be considered an open market labor quote on a job by job basis.**

Installation shall be in accordance with Interface's instructions and the Carpet and Rug Institute (CRI) Standards for Installation of Textile Floorcovering Materials (104 for Commercial/105 for Residential).

Installation rates are based on an open, empty office/ dormitory/quarters space on a "clean floor." A "clean floor" is one where the condition is appropriate to accept carpet with no additional preparation other than possibly sweeping clean.

All installation work is guaranteed for one year for any defect in workmanship and materials used to install the carpet.

The Interface branded flooring, adhesive and accessories may be invoiced separately from installation services and sundry items.
