

Mt. Diablo Unified School District
Reopener Proposal to
California School Employees Association

Article 24 – Salary

The District has an interest in negotiating a total compensation package which meets both parties' interests while remaining cognizant of the: (1) current uncertainty of changes to the school funding formula; and (2) the District's structural deficit.

Article 33 – Promotion

The District has an interest in looking at ways to expedite the promotion process and make it possible to place candidates as quickly as possible.
