development, education, and economic development programs with regional economic development strategies to meet the needs of local and regional employers and provide a comprehensive, accessible and high-quality workforce development system. This is accomplished by providing all customers access to high-quality one-stop centers that connect them with the full range of service available in their communities, whether they are looking to find jobs, build basic educational or occupational skills, earn a post-secondary certificate or degree or obtain guidance on how to make career choices, or are businesses and employers seeking skilled workers.

Each agency named in this agreement commits to adhere to the provisions of WIOA and to the greatest extent possible the following guiding vision and principles for California’s One-Stop delivery system that services will be:

- (1) Integrated and affording universal access to the system overall (offering as many employment, training, and education services as possible for employers and for individuals seeking jobs or wishing to enhance their skills);
- (2) Comprehensive (offering a large array of useful information with wide and easy access to needed services);
- (3) Customer-focused (providing the means for customers to judge the quality of the services and make informed choices);
- (4) Performance-based (based on a set of shared outcomes to be achieved and methods for measurement)
