

## District Equity Counselor

The proposed role will be filled for a two-year (2018-20) pilot to support improvement in school culture, behavior, parent and community engagement and reduction in behavioral incidences and to build staff knowledge and capacity. Equity Counselor will support students district-wide. Hire 2.0 FTE funded by Local Control Funding Formula Supplemental Funds. No additional FTE requested.

Directly Responsible To: The Director Special Projects will supervise and evaluate the District Equity Counselor.

Role of the District Equity Counselor will be to provide support to K-12 schools in the following areas:

- Provide district-wide training and consultation to school teams in the area of cultural proficiency and community engagement.
- Provide additional support, services and resources to subgroups that are disproportionate in suspension, expulsion and discipline and special education identification in an effort to improve engagement, attendance and reduction in behavioral incidences in response to the district Equity Plan.
- Provide targeted and strategic support and intervention such as guidance, coaching, consultation and training to special student populations (Foster Youth, low-income and English Learners) and high need areas in the District (i.e. Bay Point/Monument Corridor)
- Support School Counselors and Positive Behavior Intervention and Support (PBIS) teams on developing culturally responsive learning environments that includes a trauma-sensitive framework for policies, procedures and behaviors to entire staff in partnership with the Equity Team.
- Work collaboratively with the Counseling Team (Lead Counselors, Director Special Projects and Director Student Services) and the Equity Team (Equity Administrator, Educational Consultant/Behaviorist Management Specialist) to ensure alignment, articulation, and collaboration.

District-wide Equity Counselor shall work in partnership with site based school counselor(s) and site based school teams

- Provide structured, prevention, intervention and responsive services to meet the needs of individuals or groups of students regarding academic, career, and personal/social issues.
- Consult and collaborate with teachers, parents, and staff to increase student achievement, positive behavior, motivation and academic learning.
- Identify students at risk of not graduating on time; monitor student progress and attendance and provide intervention strategies in partnership with the principal, vice principal, and College/Career Advisors.

- Develop and implement youth activities and programs that reduce discipline rates and maximize student attendance and classroom participation.
- Use data effectively to deliver counseling services to targeted students and schools district-wide
- Assist in the development of school climate and Positive Behavioral Interventions and Supports (PBIS) at the school site.
- Support schools in the implementation of Coordinated Care Teams and Response to Intervention (RtI) Teams to coordinate and monitor support services equitably for students.
- Focus on student strengths and equity when working with students, families, and staff from diverse cultural, ethnic, social, and economic backgrounds.
- Adhere to all professional and ethical standards for the school counseling profession, district policies and procedures, California Education Code, State and Federal law.
- Ensure timely documentation of services provided district-wide
- Assist, design and implement with staff training as needed.
- Workweek based on contractual minutes by level (elementary, middle, high) and schedule shall be determined by mutual agreement between school counselor and Director Special Projects.
- Attend job-related meetings and activities.
- Perform additional duties as assigned by Director Special Projects or designee.
