

YVHS Community Meeting  
September 30, 2013  
MU - 7:00 pm

**Tim Cody** began the meeting introducing Board members Barbara Oaks and Lynne Dennler, New Superintendent Dr. Nellie Meyer and Mr. Stephen Brady, YV Principal.

He went through the agenda and had a power point presentation of it, at the end Mr. Brady asked everybody to go into four groups to discuss conditions of use. At 8:25 all groups were called back and presented following suggestions for the Board Meeting on October 9.

#### Group I

Group did not discuss each recommendation separately. They think that there is no need to rush and vote next week. Project will not start until spring of 2014. They wanted to know which steps can be taken nor for the best community Ad-hoc. They want what makes sense for everybody involved.

#### Group II

- Neighbors and parents want to make sure that decibel levels are measured. District needs to have equipment to measure noise level and want to know how well this equipment can be monitored.
- No portable AP will be allowed for all outside users.
- AP will not be allowed during weekends and holidays before 10:00 am.
- Light direction and intensity focus on field.
- Outside groups need to monitor loitering

#### Group III

- Agreed on Ad-hoc meeting
- Revisit power of lights, less lights during practices
- Eliminate night Track Meets, and low intensity lights to be used during practices.
- Look an LED lights, deep dish cylinders
- Remove PA from Soccer and Lacrosse games. PA only for football game

#### Group IV

- Outside groups should not be allowed to use the PA
- No PA during practices and no music either, only during games

- Have group meetings quarterly to report problems
- Report lights/AP mechanisms with complaints and results
- Response to a problem within 30 minutes, and have results visible on both websites
- All results from AD-hoc meetings should be posted in the District and YV's website
- Used whistles should have a different pitch.
- Weekends no PA earlier than 10:00 am with the exceptions of NCS activities.
- No Sundays activities at all
- No lights after 10:00 pm

#### General Agreements \*

- One night Track Meet a year
- Two night community football events with lights per year.
- No PA system during YVHS practices.
- All practices need to end no later than 8:30. Lights can be used if moved closer to the field.
- PA system to be used only during football games
- No Saturday night events except play offs. No Sunday events
- Look at design and technology of new lights.
- Monday thru Thursday no lights after 8:00pm
- No outside groups should use lights or PA
- Revised direction of PA system
- No day or night school events during summer

Tim Cody will prepare a plan to be presented to the Board next week. He closed the meeting with thanks to everyone for attending. (9:35 pm)

\*Some general agreements appear to conflict with each other.
