You are authorized to expend California Adult Education Program funds for the above courses. It is recommended that you use these Course Titles with additional supporting classes listed when communicating program offerings to the public.

Course Outlines for all apportionment classes shall be on file and available for review at the adult school or the district office (5 CCR 10508).

To meet optimum educational standards, these course outlines should contain:

- Goals and purposes
- Performance objectives or competencies
- Instructional strategies
- Units of study, with approximate hours allotted for each unit
- Evaluation procedures
- Clear course completion requirements of established goals and objectives

Career Technical Education: Before establishing a Career Technical Education or Occupational Education Program, a job market study of your region must be conducted and reviewed every two years to justify the need for the program being offered. Refer to the Job Market Study in EC 52519; 52520 for more information.

Education Codes: 1900; 41976; 52506; 52515; 52518; 52570.

For Vocational Education courses:

Before establishing a Vocational or Occupational Education Program, you must conduct a job market study in your market area and have it reviewed every two years to justify the vocational program. Refer to the Job Market Study in EC 52519; 52520 for more information.
