CSI/Title I Monitoring Student Progress

Metrics

- Academic data (ESGI, iReady, FIABs/IABs)
- English Language Proficiency Assessments for California
- Grades
- Graduation rates
- Behavior data (PBIS)
- Attendance
- Suspensions
- CA Healthy Kids Data
- SEL survey data

Federal Title I guidance requires that sites regularly discuss and analyze student data to identify areas in need of improvement and to monitor implementation and impact on student achievement.

Discussions not only happen with staff but community groups- School Site Council & English Language Advisory Committee.
