String Teacher Workshop at Ohio State

July 7–13, 2024

Celebrating 39 years!

WELCOME (<https://music.osu.edu/outreach/osu-stw/welcome-from-directors>)

Two workshops to choose from – IN-PERSON or ONLINE ONLY:

In-person – includes 80+ sessions (</outreach/osu-stw/in-person-2024-sessions>) and ALL online content

Online – both livestreamed and pre-recorded sessions featuring over 30 clinicians and over 40 hours of sessions for viewing through December 2024

- Enjoy multiple reading sessions of the latest and the "tried and true"
- Learn strategies for solving the most common string playing problems
- Design action plans for advocacy
- Build student-centered teaching plans
- Embrace, build and respond to diversity in the classroom

SPEND A WEEK WITH LEADERS IN THE PROFESSION!

Workshop Faculty (</outreach/osu-stw/workshop-2024-faculty>)

SESSIONS DESIGNED TO HELP THE SCHOOL STRING TEACHER...

Daily instrument repair sessions • Conducting labs • Coaching chamber music • Repertoire selection • 7 reading sessions • 21st century orchestra • Integrating technology and apps • Advocacy and community engagement • Sessions for the non-string player • Secondary instrument technique • Rehearsal labs • Recruitment and retention • Student motivation • Student-centered teaching • Developing your leadership • Musician health and body mechanics • Integrating today's music • Building a culture of excellence • Being the new teacher on the block • Assessing today's students • From beginners through middle and high school • Wisdom from experience – what works? • Building community

ASTA Student Graduate Credit \$250

ONLINE-ONLY workshop

Non-Credit \$199

CEU Credit \$249

Our Partners (/outreach/osu-stw/our-partners)**Testimonials from prior workshop participants**

- ▶ "Excellent and inspiring clinicians!"
- ▶ "Again, timely and useful just like every year!"
- ▶ "Just what the doctor ordered! After two extraordinarily difficult years, these workshops reminded me what I love about my work with orchestra kids of all ages. The motivational talks, program building sessions and technology sessions were especially strong. THANK YOU!"
- ▶ "I loved the balance of technology/apps, games, pedagogy, tips/tricks and repertoire."
- ▶ "The abundance of sessions from which to choose allowed my training to be specifically catered to my needs and interests at this time."
- ▶ "All sessions were very helpful. Although I have been teaching 25+ years, I still find some new ideas. In tech areas, I learned lots of new ideas. Thank you."
- ▶ "The sessions were great, and I can't wait to join the Ohio State String Teacher Workshop again (in person)!"
