# LCAP Goals 2022-2023

## **Goal # 1**

All students will receive a high quality education in a safe and welcoming environment with equitable high expectations, access to technology, and instruction in the California State Standards that prepare them for college and career.

## **Goal # 2**

High quality, culturally proficient, and responsive staff will provide engaging instruction respectful of all students' backgrounds to ensure they are college and career ready.

## **Goal # 3**

Parents, family and community will be informed, engaged and empowered as partners with Mt. Diablo Unified to support student learning.

## **Goal # 4**

Focal scholars, specifically Black/African American students, Foster Youth, students experiencing homelessness, students with disabilities and emerging bilingual students, will experience culturally responsive practices and instruction, high expectations, equal access to educational opportunities, within an educational environment that builds trust and inclusive partnerships between the students, parents/guardians and staff.

A poster for a Fentanyl Awareness event. The top half has a green background with the title "Fentanyl Awareness" in large white letters, followed by "FACTS AND TOOLS TO SAVE A LIFE" in smaller white letters. The Mt. Diablo Unified School District logo is in the top right. The bottom half has a brown background with a wavy orange line separating it from the top. It includes a calendar icon, the date "Dec. 12, 2023", the time "6 PM, 5:30 PM CHECK IN", and the location "MT. DIABLO HIGH SCHOOL". Below this is the heading "On the agenda:" followed by a bulleted list of activities. At the bottom left is a photo of hands clasped together, and at the bottom right is the text "REGISTRATION INFORMATION WILL BE SENT BY PARENTSQUARE".

Here is a look at what some recent research has found:

**Reading as a remedy:** Children who read frequently self-report better mental health.

**Literacy motivates kids:** Access to books that pique a child's curiosity paves the way to academic success and builds empathy.

**Resiliency is a muscle:** Resilience is a set of skills that can be developed and sharpened over time, including when children experience traumatic events.

**Classroom relationships are critical:** Educators who cultivate positive connections with kids instill more security and confidence in children.
