Factors that may influence reduction in contract amount. Student leaves placement due to age, graduation, change in residency, increase or reduction in intensity of services

Factors that may influence increase in contract amount:

Student enters placement, moves to a different placement, needs increase or reduction in intensity of services, parents move into the District with Non Public School on the IEP

Number of students impacted by the adjustment to the contracts: 11

* New Master Contract

Legend:

D = Day Placement

R = Residential Placement
