

Riverview Middle School

Transformation Plan

Denise Rugani

Christine Huajardo

Lynsie Murillo

Ean Ainsworth

Stakeholders

- Teachers
- Administrators
- Parent Faculty Club
- Alternative Governance Team
- Site Council
- English Learner Advisory Council

Needs Analysis

- Riverview has experienced consistent incremental growth in our API
  - 556 in 2003
  - 649 in 2009
- Riverview needs a laser like focus on using collaborative time available for data analysis which lead to the development of scripted rigorous lessons
- Turnaround model allows for quick/dramatic improvement in student achievement in 3 years

Rigorous Instruction

- Teachers will turn in 2 lesson plans per week to ensure consistency in rigor
  - Common Lesson Plan Template
  - Immediate Administrative Feedback on Lesson Plans
- Each plan will include:
  - Scripted Engagement Strategies
  - Academic Vocabulary
  - Scaffolding for ELLs
  - Checks for Understanding – High Level Questions
  - Fidelity of curriculum implementation based on CA content standards

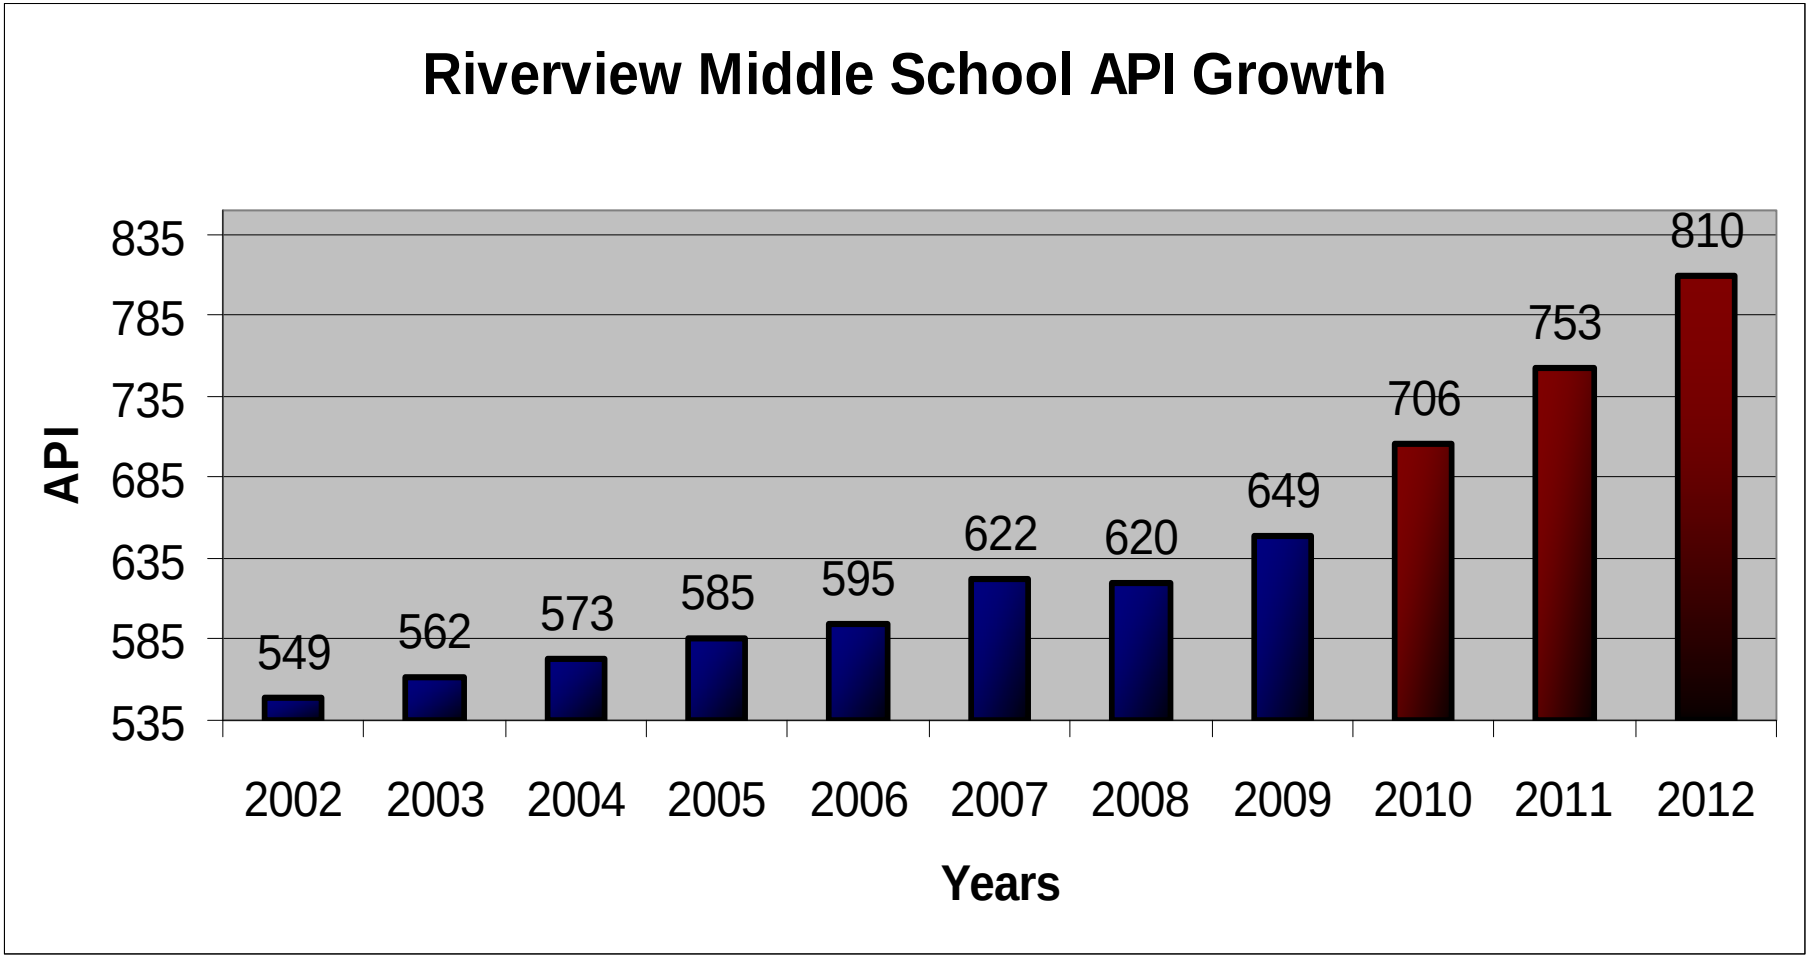
Data

- Stakeholders examined multiple points of data
- Common Formative/Benchmark Assessments – Curriculum. Associates
- Development of SMART Goals
- Data Coach
- Weekly meetings to be data rich
- Various levels of data – CST, Safe Harbor, Common Ass., Benchmark exams
- Data walks

Increasing Instructional Time

- After School Intervention will be restructured to more effectively reach more students at 3 levels
  - Intensive Intervention
  - Safe Harbor Tutoring
  - Enrichment for Proficient and Advanced Students
- Saturday Academy
  - 2 hrs. each Saturday for students that have failed their weekly benchmark assessment to receive standards-based re-teaching

Building Capacity

- Tranformational Leadership Team – builds leadership capacity with in staff
- Team will meet weekly and interface with AGT and Leadership Team
- 5 teachers receive a release period for coaching in the following areas:
  - Data
  - Math
  - Literacy/Writing
  - Technology
  - After School/Extended Day Program


Expected Results
