

# Proposal: Change Gateway Small Continuation High School to an Independent Study Model as a campus of Horizons School

Currently:

- Students cannot always get classes they need
- Rigid schedule
- Not working well for our students

# Horizons School: Gateway High School Campus

- An independent Plan for each student
- Builds on a student's goals and interests
- Focuses on College and Career
- WASC accredited
- NCAA and UC/CSU A-G approved

# Opportunities

- Customized schedule
- Access to the Community College
- Concurrent enrollment at the comprehensive school
- Ability to play on sports teams and attend extracurricular activities
- Increased access to Electives

# Flexibility

- Regular weekly appointments one-on-one with a teacher
- Full time schedules with options on meeting days
- Small classes in mathematics and sciences
- Access to learning labs and tutoring
- Schedule that focuses on the student's diploma requirements

When can we start?  
January 8, 2018

We want to provide students with the opportunity  
and flexibility to be successful now!
