VENDOR NOTE:

We would like to propose our flagship brand Premier for this RFQ. This brand meets and exceeds all specifications with the exception that it is not manufactured domestically. Premier is an FSC Certified brand produced in the Smurfit Mill in Columbia. We stock our products in multiple warehouses in CA and across the country. Premier is currently being utilized by Palm Springs USD, Simi Valley USD, Menifee USD, San Diego USD and the NCEPC Purchasing Cooperative Members with great success.

We guarantee Premier to perform without any issues or we will gladly exchange for Boise brand domestic product which is much higher pricing. We are confident the district will be more than satisfied with Premier as are the hundreds of districts we supply nationwide.

We work exclusively with our mill on the production of this brand and ensure only the highest level of performance. We stand behind our products 100% and know that this brand will provide value, performance and overall savings to the districts.

I greatly appreciate your consideration.

Thank you,
Cindy Flores
