- c) Build the schools' and parents' capacity for strong parental involvement;
- d) Coordinate and integrate parental involvement strategies under Part A and under other programs as specified;
- e) Conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy and use the findings of the evaluation to design more effective parental involvement; and
- f) Involve parents in the activities of the Title I schools.

Does your current Title I district-level parent involvement board policy describe how your LEA will meet all six of these criteria? Yes No

Date of local board approval of the current Title I parent involvement policy: 05/25/2004

<p>B. 2008-09 Title I Parent Involvement Description</p>	<p><input type="checkbox"/> This section is not applicable because the LEA did not receive Title I, Part A, funding in 2008-09.</p>

These committees make recommendations and advise the schools and district.

Notes:
Federal transferability is governed by Title VI in NCLB Section 6123. You may transfer a maximum of 50 percent of any program to other programs.

This district has been identified as a Program Improvement (PI) LEA under NCLB Section 1116 and may only transfer 30 percent of the funds and those funds must be used for PI activities. A single school district (SSD) or a direct-funded charter (DFC) school whose only school is in PI and operating as a Targeted Assistance School (TAS), for the purpose of federal transferability the LEA is restricted to the 30% limit. If the SSD or DFC is operating as a Schoolwide Program (SWP) school, this restriction does not apply.

2009-10 programs affected by transferability:

- Title I, Part A (Basic Grant)
- Title II, Part A (Teacher and Principal Training and Recruiting)
- Title II, Part D (Enhancing Education Through Technology)
- Title IV, Part A (Safe and Drug Free Schools and Communities)

C. TUPE Carryover Request Justification	
<p>1. Explanation of why these funds could not be spent during the 2008-09 fiscal year. (The LEA must demonstrate good cause for not expending 75 percent or more of its 2008-09 TUPE entitlement.)</p>	<p>2. Description of how these carryover funds will be used to implement TUPE in the 2009-10 fiscal year. (The use of TUPE carryover funds is limited to those activities that will directly result in the prevention of tobacco use and must comply with all TUPE program requirements, the Principles of Effectiveness, and the LEA's approved LEA Plan.)</p>

*These funds reverted 6/30/09. CDE will bill the LEA for these funds.

Notes:

1. Section 9203 of the Elementary and Secondary Education Act of 1965, as amended by the NCLB Act of 2001, allows an LEA to consolidate, for the administration of one or more programs under NCLB (or such other programs as the U.S. Secretary of Education shall designate), not more than the percentage, established in each program, of the total available for the LEA under those programs.
2. Refer to the instructions for the maximum amount of administrative funds from the different NCLB titles that may be consolidated.
3. An LEA that consolidates administrative funds shall not use any other funds under the programs included in the consolidation for administration for that fiscal year (ESEA Sec. 9203(c)).
4. Pooled costs may be treated as one cost objective. An LEA is not required to keep separate records, by individual program, to account for costs relating to the administration of the programs included in the consolidation (ESEA Sec. 9203(e)).
5. CDE approval to consolidate administrative funds is valid only for the fiscal year requested.

The programs for which this agency is requesting to consolidate administrative funds are indicated by a check in the "YES" box below.
