Detailed Description

(Manufacturer # DTH1320K0)

Your Partner in Breakthrough Creativity

With years of experience developing and innovating creative pen displays for professional art and design, Wacom developed the Wacom Cintiq Pro to inspire and support artists as they strive to do their very best work.

The new Wacom Pro Pen 2 gives you Wacom's most accurate and advanced pen performance with 4x higher pen accuracy and pressure sensitivity*, outstanding pen-tilt response and virtually lag-free tracking. The new displays let you see your artwork in perfect detail with up to 4K resolution and exceptionally high 94% Adobe RGB color performance.

Intuitive multi-touch gestures along with programmable on-screen Radial Menus, and pen side switches speed your creative workflow

Cintiq Pro is also integrated into your workflow using other Wacom products, software and services. Download the Inkspace™ application to benefit from valuable services such as Wacom Echo to protect your precious creative work from loss by automatically storing a back-up in the Wacom Cloud.

Experience the Joy of creating with the new Wacom Cintiq Pro!

- Professional Quality in a Compact Design
 - For professional artists and designers who want to add a world-class pen-on screen creative experience to their Mac or PC, Wacom Cintiq Pro offers Wacom's most powerful array of capabilities in a new high-performance creative pen display.
- Wacom's most natural and advanced pen performance with 4x greater accuracy and pressure sensitivity* and virtually lag-free tracking.
- Remarkable clarity with high-resolution displays and superior color quality (87% Adobe RGB).
- Multi-touch gestures, customizable ExpressKeys™ (available with optional ExpressKey™ Remote), Radial Menus and one-touch shortcuts to speed your workflow.
- The authentic feel and artistic control of the Pro Pen 2 on the etched-glass screen.
- Integrated stand for working at an inclined angle.
- Customize your workflow with innovative accessories (sold separately) such as the ExpressKey™ Remote, or the three position adjustable Wacom Stand.
