

District Union/Organization Statements  
March 24, 2021 Board Meeting

---

Board Members, Supt. Clark, visitors and staff

I am Jane Kwiatkowski, CHS Registrar and speaking as CST 1st VP

I bring your attention to Agenda item 11.4. As stated at the last board meeting, the CST contract in effect thru June 30, 2021, precludes the district from eliminating any positions until after June 30, 2021 so this item is again in direct violation of the contract we have in place and we ask that it be removed. Thank you.
